(f) Prior to issuance or renewal of the certificate, the applicant must demonstrate to the satisfaction of SPD that the applicant is capable of providing services identified in a manner consistent with the requirements of these rules.

(3) CERTIFICATION EXPIRATION, TERMINATION OF OPERATIONS, OR CERTIFICATE RETURN.

(a) Unless revoked, suspended, or terminated earlier, each certificate to operate a brokerage or provider organization shall expire on the expiration date specified on the certificate.

(b) If a certified brokerage or provider organization is discontinued, the certificate automatically terminates on the date operation is discontinued.

(4) CHANGE OF OWNERSHIP, LEGAL ENTITY, LEGAL STATUS, OR MANAGEMENT CORPORATION. The brokerage, or provider organization

requiring certification under OAR 411-340-0170(2), must notify SPD in writing of any pending action resulting in a 5 percent or more change in ownership and of any pending change in the brokerage's or provider organization's legal entity, legal status, or management corporation.

(5) NEW CERTIFICATE REQUIRED. A new certificate for a brokerage or provider organization is required upon change in a brokerage's or provider organization's ownership, legal entity, or legal status. The brokerage or provider organization must submit a certificate application at least 30 days prior to change in ownership, legal entity, or legal status.

(6) CERTIFICATE DENIAL, REVOCATION, OR REFUSAL TO RENEW. SPD may deny, revoke, or refuse to renew a certificate when SPD finds the brokerage or provider organization, the brokerage or provider organization director, or any person holding 5 percent or greater financial interest in the brokerage or provider organization:

(a) Demonstrates substantial failure to comply with these rules such that the health, safety, or welfare of individuals is jeopardized and the brokerage or provider organization fails to correct the noncompliance within 30 calendar days of receipt of written notice of non-compliance;

(b) Has demonstrated a substantial failure to comply with these rules such that the health, safety, or welfare of individuals is jeopardized during two inspections within a six year period (for the purpose of this rule, "inspection" means an on-site review of the service site by SPD for the purpose of investigation or certification);

(c) Has been convicted of a felony;

(d) Has been convicted of a misdemeanor associated with the operation of a brokerage or provider organization;

(e) Falsifies information required by SPD to be maintained or submitted regarding services of individuals, program finances, or individuals' funds;

(f) Has been found to have permitted, aided, or abetted any illegal act that has had significant adverse impact on individual health, safety, or welfare; or

(g) Has been placed on the current Centers for Medicare and Medicaid Services list of excluded or debarred providers.

(7) NOTICE OF CERTIFICATE DENIAL, REVOCATION, OR REFUSAL TO RENEW. Following a SPD finding that there is a substantial failure to comply with these rules such that the health, safety, or welfare of individuals is jeopardized, or that one or more of the events listed in section (6) of this rule has occurred, SPD may issue a notice of certificate revocation, denial, or refusal to renew.

(8) IMMEDIATE SUSPENSION OF CERTIFICATE. When SPD finds a serious and immediate threat to individual health and safety and sets forth the specific reasons for such findings, SPD may, by written notice to the certificate holder, immediately suspend a certificate without a pre-suspension hearing and the brokerage or provider organization may not continue operation.

(9) HEARING. An applicant for a certificate or a certificate holder may request a hearing pursuant to the contested case provisions of ORS chapter 183 upon written notice from SPD of denial, suspension, revocation, or refusal to renew a certificate. In addition to, or in lieu of a hearing, the applicant or certificate holder may request an administrative review by the SPD Assistant Director. An administrative review does not preclude the right of the applicant or certificate holder to a hearing.

(a) The applicant or certificate holder must request a hearing within 60 days of receipt of written notice by SPD of denial, suspension, revocation, or refusal to renew a certificate. The request for a hearing must include an admission or denial of each factual matter alleged by SPD and must affirmatively allege a short plain statement of each relevant, affirmative defense the applicant or certificate holder may have.

(b) In the event of a suspension pursuant to section (8) of this rule and during the first 30 days after the suspension of a certificate, the brokerage or provider organization may submit a written request to SPD for an administrative review. SPD shall conduct the review within 10 days after receipt of the request for an administrative review. Any review requested after the end of the 30-day period

following certificate suspension shall be treated as a request for hearing under section (9)(a) of this rule. If following the administrative review the suspension is upheld, the brokerage or provider organization may request a hearing pursuant to the contested case provisions of ORS chapter 183.

411-340-0060 Complaints in Support Services Brokerages
(Amended 7/1/2009)

(1) COMPLAINTS. Brokerages must develop and implement written policies and procedures regarding individual complaints and a formal complaint process. These policies and procedures must at minimum address:

(a) Receipt of complaints. If a complaint is associated in any way with abuse, the recipient of the complaint must immediately report the issue to the CDDP and notify the brokerage director and, if applicable, the provider organization director. The brokerage must maintain a log of all complaints regarding the brokerage, provider organization, or independent provider that the brokerage receives from individuals, others acting on the behalf of individuals, and from provider organizations acting in accordance with OAR 411-340-0170(2)(a)(C)(v).

(A) The complaint log must, at a minimum, include the following:

- (i) The date the complaint was received;
- (ii) The name of the person taking the complaint;
- (iii) The nature of the complaint;
- (iv) The name of the person making the complaint, if known; and
- (v) The disposition of the complaint.

(B) Brokerage personnel issues and allegations of abuse may be maintained separately from a central complaint log. If a complaint results in disciplinary action against a staff member,

the documentation on the complaint must include a statement that disciplinary action was taken.

(b) Informal complaint resolution. An individual or someone acting on behalf of the individual must have an opportunity to informally discuss and resolve any allegation that a brokerage, provider organization, or independent provider has taken action that is contrary to law, rule, policy, or that is otherwise contrary to the interest of the individual and that does not meet the criteria for an abuse investigation.

Choosing an informal resolution does not preclude an individual or someone acting on behalf of the individual from pursuit of resolution through formal complaint processes.

(c) Investigation of the facts supporting or disproving the complaint.

(d) Taking appropriate actions. The brokerage must take steps to resolve the complaint within five working days following receipt of the complaint. If the complaint cannot be resolved informally, or if the individual making the complaint so chooses at any time, the individual may request a formal resolution of the complaint and, if needed, must be assisted by the brokerage with initiating the formal complaint process.

(e) Review by the brokerage director. If a complaint involves brokerage staff or services and if the complaint is not resolved according to section (1)(b) through (1)(d) of this rule, or if the person making the complaint requests one, a formal review must be completed by the brokerage director and a written response must be provided to the complainant within 30 days following receipt of the complaint.

(f) Agreement to resolve the complaint. Any agreement to resolve a complaint that has been formally reviewed by the brokerage director must be in writing and must be specifically approved by the complainant. The brokerage must provide the complainant with a copy of the agreement.

(g) Administrative review. Unless the complainant is a Medicaid recipient who has elected to initiate the hearing process according to section (3) of this rule, the complaint may be submitted to SPD for

administrative review when the complaint cannot be resolved by the brokerage and the complaint involves the provision of service or a provider.

(A) Following a decision by the brokerage director regarding a complaint, the complainant may request an administrative review by the SPD Assistant Director.

(B) The complainant must submit to SPD a request for an administrative review within 15 days from the date of the decision by the brokerage director.

(C) Upon receipt of a request for an administrative review, the SPD Assistant Director shall appoint an Administrative Review Committee and name the chairperson. The Administrative Review Committee shall be comprised of a representative of SPD, a CDDP representative, and a brokerage representative. Committee representatives may not have any direct involvement in the provision of services to the complainant or have a conflict of interest in the specific case being reviewed.

(D) The Administrative Review Committee must review the complaint and the decision by the brokerage director and make a recommendation to the SPD Assistant Director within 45 days of receipt of the complaint unless the complainant and the Administrative Review Committee mutually agree to an extension.

(E) The SPD Assistant Director shall consider the report and recommendations of the Administrative Review Committee and make a final decision. The decision must be in writing and issued within 10 days of receipt of the recommendation by the Administrative Review Committee. The written decision must contain the rationale for the decision.

(F) The decision of the SPD Assistant Director is final. Any further review is pursuant to the provision of ORS 183.484 for judicial review.

(h) Documentation of complaint. Documentation of each complaint and its resolution must be filed or noted in the complainant's record.

(2) NOTIFICATION. Upon enrollment and annually thereafter, and when a complaint is not resolved according to section (1)(b) through (1)(d) of this rule, the brokerage must inform each individual, or the individual's legal representative, orally and in writing, using language, format, and methods of communication appropriate to the individual's needs and abilities, of the following:

(a) Brokerage grievance policy and procedures, including the right to an administrative review and the method to obtain an administrative review; and

(b) The right of a Medicaid recipient to a hearing as pursuant to section (3) of this rule and the procedure to request a hearing.

(3) DENIAL, TERMINATION, SUSPENSION, OR REDUCTION OF SERVICES FOR INDIVIDUAL MEDICAID RECIPIENTS.

(a) Each time the brokerage takes an action to deny, terminate, suspend, or reduce an individual's access to services covered under Medicaid, the brokerage must notify the individual or the individual's legal representative of the right to a hearing and the method to request a hearing. The brokerage must mail the notice by certified mail, or personally serve the notice to the individual or the individual's legal representative 10 days or more prior to the effective date of an action.

(A) The brokerage must use form SDS 0947, Notification of Planned Action, or a comparable SPD-approved form for such notification.

(B) This notification requirement does not apply if an action is part of, or fully consistent with the ISP, and the individual or the individual's legal representative has agreed with the action by signature to the ISP.

(b) A notice required by section (3)(a) of this rule must include:

- (A) The action the brokerage intends to take;
- (B) The reasons for the intended action;
- (C) The specific Oregon Administrative Rules that support, or the change in federal or state law that requires, the action;
- (D) The appealing party's right to request a hearing in accordance with OAR chapter 137, ORS chapter 183, and 42 CFR Part 431, Subpart E;
- (E) A statement that the brokerage files on the subject of the hearing automatically becoming part of the hearing record upon default for the purpose of making a prima facie case;
- (F) A statement that the actions specified in the notice shall take effect by default if the DHS representative does not receive a request for hearing from the party within 45 days from the date that the brokerage mails the notice of action;
- (G) In cases of an action based upon a change in law, the circumstances under which a hearing shall be granted; and
- (H) An explanation of the circumstances under which brokerage services shall be continued if a hearing is requested.

(c) If the individual or the individual's legal representative disagrees with a decision or proposed action by the brokerage to deny, terminate, suspend, or reduce an individual's access to services covered under Medicaid, the party may request a hearing as provided in ORS chapter 183. The request for a hearing must be in writing on form DHS 443 and signed by the individual or the individual's legal representative. The signed form (DHS 443) must be received by DHS within 45 days from the date the brokerage mailed the notice of action.

(d) The individual or the individual's legal representative may request an expedited hearing if the individual or the individual's legal representative feels that there is immediate, serious threat to the

individual's life or health should the normal timing of the hearing process be followed.

(e) If the individual or the individual's legal representative requests a hearing before the effective date of the proposed action and requests that the existing services be continued, DHS shall continue the services.

(A) DHS must continue the services until whichever of the following occurs first:

(i) The current authorization expires;

(ii) The administrative law judge issues a proposed order and DHS issues a final order; or

(iii) The individual is no longer eligible for Medicaid benefits.

(B) DHS must notify the individual or the individual's legal representative that DHS is continuing the service. The notice must inform the individual or the individual's legal representative that, if the hearing is resolved against the individual, DHS may recover the cost of any services continued after the effective date of the continuation notice.

(f) DHS may reinstate services if:

(A) DHS takes an action without providing the required notice and the individual or the individual's legal representative requests a hearing;

(B) DHS fails to provide the notice in the time required in this rule and the individual or the individual's legal representative requests a hearing within 10 days of the mailing of the notice of action; or

(C) The post office returns mail directed to the individual or the individual's legal representative, but the location of the individual or the individual's legal representative becomes

known during the time that the individual is still eligible for services.

(g) DHS must promptly correct the action taken up to the limit of the original authorization, retroactive to the date the action was taken, if the hearing decision is favorable to the individual, or DHS decides in the individual's favor before the hearing.

(h) The DHS representative and the individual or the individual's legal representative may have an informal conference, without the presence of the administrative law judge, to discuss any of the matters listed in OAR 137-003-0575. The informal conference may also be used to:

(A) Provide an opportunity for DHS and the individual or the individual's legal representative to settle the matter;

(B) Ensure the individual or the individual's legal representative understands the reason for the action that is the subject of the hearing request;

(C) Give the individual or the individual's legal representative an opportunity to review the information that is the basis for that action;

(D) Inform the individual or the individual's legal representative of the rules that serve as the basis for the contested action;

(E) Give the individual or the individual's legal representative and DHS the chance to correct any misunderstanding of the facts;

(F) Determine if the individual or the individual's legal representative wishes to have any witness subpoenas issued; and

(G) Give DHS an opportunity to review its action or the action of the brokerage.

(i) The individual or the individual's legal representative may, at any time prior to the hearing date, request an additional conference with the DHS representative. At the DHS representative's discretion, the DHS representative may grant an additional conference if it facilitates the hearing process.

(j) DHS may provide the individual or the individual's legal representative the relief sought at any time before the final order is issued.

(k) An individual or the individual's legal representative may withdraw a hearing request at any time prior to the issuance of a final order. The withdrawal shall be effective on the date DHS or the Office of Administrative Hearings receives it. DHS must issue a final order confirming the withdrawal to the last known address of the individual or the individual's legal representative. The individual or the individual's legal representative may cancel the withdrawal up to 10 working days following the date the final order is issued.

(l) Proposed and final orders.

(A) In a contested case, the administrative law judge must serve a proposed order on the individual and DHS.

(B) If the administrative law judge issues a proposed order that is adverse to the individual, the individual or the individual's legal representative may file exceptions to the proposed order to be considered by DHS. The exception must be in writing and must be received by DHS no later than 10 days after service of the proposed order. The individual or the individual's legal representative may not submit additional evidence after this period unless DHS grants prior approval.

(C) After receiving the exceptions, if any, DHS may adopt the proposed order as the final order or may prepare a new order. Prior to issuing the final order, DHS may issue an amended proposed order.

(ii) Unavailability of the individual is not an acceptable reason for the individual or the individual's legal representative not to sign the ISP.

(b) The schedule of the support services ISP developed in compliance with section (3) of this rule after an individual enters a brokerage may be adjusted one time for any individual entering a brokerage in certain circumstances. Such an adjustment shall interrupt any plan year in progress and establish a new plan year for the individual beginning on the date the first new ISP is authorized. Circumstances where this adjustment is permitted include:

(A) Brokerages, with the consent of the individual, may designate a new ISP start date.

(i) This adjustment may only occur one time per individual upon ISP renewal.

(ii) The individual's benefit level must be pro-rated based on the shortened plan year in order to not exceed the annual benefit level for which the individual is eligible.

The date of the individual's first new support services ISP after enrollment in the brokerage may be adjusted to correspond to the expiration date of the individual's Annual Plan of Care in place at the time the individual turns 18 years of age when the Annual Plan of Care, developed while the individual is still receiving family support, CIIS, or MFC services, has been authorized for implementation prior to or upon the individual's enrollment in the brokerage.

(C) Transition of individuals receiving other SPD-paid services who are required by SPD to transition to support services. The date of the individual's first support services ISP may be adjusted to correspond to the expiration date of the individual's plan for services when the plan for services:

(i) Has been developed according to regulations governing SPD-paid services the individual receives prior to transition;

(ii) Is current at the time designated by SPD for transition to support services; and

(iii) Is authorized for implementation prior to or upon the individual's enrollment in the brokerage.

(a) A Nursing Care Plan must be attached to the ISP when support services funds are used to purchase services requiring the education and training of a licensed professional nurse.

(b) A Support Services Brokerage Plan of Care Crisis Addendum, or other document prescribed by SPD for use in these circumstances, must be attached when an individual enrolled in a brokerage:

(A) Has been determined by the CDDP of the individual's county of residence as eligible for crisis diversion services according to OAR 411-320-0160; and

(B) Is in emergent status in a short-term out-of-home residential placement as part of the individual's crisis diversion services. This short-term plan must be coordinated by staff of the CDDP of the individual's county of residence.

(8) AUTHORIZATION OF WRITTEN PLAN. Prior to implementation the brokerage must authorize:

(a) Initial and annual ISPs; and

(b) Significant changes in the ISP that include but are not limited to changes in the types of support purchased with support services funds and changes in supports that cause total plan year expenses to exceed the expenses currently authorized by more than 10 percent. Significant changes in the ISP do not include changes in the providers chosen to provide direct assistance to the individual.

(9) PERIODIC REVIEW OF PLAN AND RESOURCES. The personal agent must conduct and document reviews of plans and resources with the individual and the individual's legal representative.

(a) At least quarterly, the personal agent must review and reconcile receipts and records of purchased supports authorized by the ISP.

(10) **TRANSITION TO ANOTHER BROKERAGE.** At the request of an individual enrolled in brokerage services who has selected another brokerage, the brokerage must collaborate with the receiving brokerage and the CDDP of the individual's county of residence to transition support services.

411-340-0130 Using Support Services Funds to Purchase Supports
(Amended 7/1/2009)

(1) A brokerage may use support services funds to assist individuals to purchase supports in accordance with an ISP when:

(a) Supports are necessary for an individual to live in the individual's own home or in the family home;

(b) Cost-effective arrangements for obtaining the required supports, applying public, private, formal, and informal resources available to the eligible individual are specified in the ISP;

(c) An individual is receiving crisis diversion services according to OAR 411-320-0160 and:

(A) Crisis diversion services are not allowed by OAR 411-320-0160 to provide the necessary support;

(B) The support was identified as necessary prior to the onset of the crisis;

(C) Support services funds are not expended to such an extent that the support services funds that may be required to purchase the remainder of necessary supports following the termination of crisis diversion services shall be unavailable; and

(D) Support services funds are used for no more than 90 days following the determination that the individual shall enter a comprehensive service.

(d) The ISP projects the amount of support services funds, if any, that may be required to purchase the remainder of necessary supports that are within the benefit level; and

(e) The ISP has been authorized for implementation.

(2) Goods and services purchased with support services funds on behalf of individuals are provided only as social benefits.

(3) LIMITS OF FINANCIAL ASSISTANCE. Assistance with purchase of individual supports in any plan year is limited to the individual's annual benefit level.

(a) Individuals must have access throughout the plan year to the total annual amount of support services funds for which they are eligible

that are determined to be necessary to implement an authorized ISP, even if there is a delay in implementation of the ISP, unless otherwise agreed to in writing by the individual or the individual's legal representative.

(b) SPD may require that annual benefit level amounts be calculated and applied on a monthly basis when an individual's eligibility for Medicaid changes during a plan year, an individual's benefit level changes, or when an individual's ISP is developed and written to be in effect for less than 12 months.

(A) Except in the case of an individual whose benefit level changes as the result of a change in eligibility for the Support Services Waiver, when an individual's benefit level changes, the monthly benefit level shall be 1/12 of the annual benefit level for which the individual would be eligible should the change in benefit level remain in effect for 12 calendar months. The monthly benefit level shall be applied each month for the remainder of the plan year in which the individual's change in benefit level occurred, from the date the change occurred.

(B) In the case of an individual whose Support Services Waiver eligibility changes, the new monthly benefit level is calculated based on the remainder of the General Fund contribution to the individual benefit level being evenly distributed across the remaining months of the plan year. The monthly benefit level shall be applied each month for the remainder of the plan year in which the individual's change in Support Services Waiver eligibility occurred, from the date the change occurred.

(C) In the case of an individual with an ISP developed for a partial plan year, the monthly benefit level shall be 1/12 of the annual benefit level for which the individual would be eligible should the individual's ISP be in effect for 12 calendar months. The monthly benefit level shall be applied each month during which the ISP of less than 12 months' duration is in effect.

(c) Estimates of individual plan costs must be based on the SPD rate guidelines for costs of frequently used services.

(A) SPD rate guidelines notwithstanding, final costs may not exceed local usual and customary charges for these services as evidenced by the brokerage's own documentation.

(B) The brokerage must establish a process for review and approval of all budgets based on estimates exceeding SPD rate guidelines and must monitor the authorized ISP involved for continued cost effectiveness.

(4) EXCEPTIONS TO BASIC BENEFIT FINANCIAL LIMITS. Exceptions to the basic benefit annual support services fund limit may be only as follows.

(a) Individuals with extraordinary long-term need as demonstrated by a score of 60 or greater on the Basic Supplement Criteria Inventory (Form DHS 0203) may have access to a basic supplement in order to purchase necessary supports.

(A) For Medicaid recipients choosing services under the Support Services Waiver, the basic supplement must result in a plan year cost that is not greater than the individual cost limit.

(B) For individuals who are not Medicaid recipients choosing services under the Support Services Waiver, the basic supplement must result in a plan year cost that is not greater than the state's General Fund contribution to the individual cost limit, calculated according to the Medicaid match rate current at the beginning of the plan year, and adjusted annually to correspond to changes in the Medicaid match rates.

(C) The brokerage director, or a designee from brokerage management and administration, must administer the Basic Supplement Criteria Inventory only after receiving SPD-approved training. The brokerage director or designee must score basic supplement criteria according to written and verbal instruction received from SPD.

(D) The trained brokerage director or a designee from a brokerage's management or administration must administer the Basic Supplement Criteria Inventory within 30 calendar days of

the documented request of the individual or the individual's legal representative.

(E) The brokerage director or designee must send written notice of findings regarding eligibility for a basic supplement to the individual and the individual's legal representative within 45 calendar days of the written request for a basic supplement. This written notice must include:

(i) An offer for the individual and the individual's legal representative to discuss the findings in person with the director and with the individual's personal agent in attendance if desired;

(ii) A notice of the complaint process under OAR 411-340-0060; and

(iii) A notice of planned action.

(F) Annual ISP reviews for recipients of the basic supplement must include a review of circumstances and resources to confirm continued need according to the instructions included with the Basic Supplement Criteria Inventory.

(b) Individuals who have been assessed as in need of, and meeting criteria for, crisis diversion services by the CDDP of the individual's county of residence according to OAR 411-320-0160, may receive short-term assistance with purchase of support in excess of the individual's benefit level. Use of crisis diversion services may only be authorized by the CDDP of the individual's county of residence or by the Regional Crisis Diversion Program responsible for the individual's county of residence.

(A) Length of emergent status may be authorized only by the CDDP of the individual's county of residence, or the Regional Crisis Diversion Program responsible for the individual's county of residence, depending on the source of the crisis diversion funds. Emergent status for an individual shall not exceed 270 consecutive days.

(B) Funds associated with crisis diversion services may be used to pay the difference in cost between the authorized ISP and the supports authorized by either the CDDP of the individual's county of residence or the Regional Crisis Diversion Program responsible for crisis diversion services in the individual's county of residence, depending on the source of crisis diversion services funds required to meet the short-term need.

(C) Although costs for crisis diversion services may bring the individual's total plan year cost temporarily above the individual cost limit, the individual's costs may not exceed the cost of the state's current ICF/MR daily cost per individual nor shall plan year expenses at or above the individual cost limit make the individual eligible for comprehensive services.

(i) Individuals placed in emergent status due to receiving crisis diversion services authorized and provided according to OAR 411-320-0160 may remain enrolled in, and receive support services from, the brokerage while both crisis diversion services and support services are required to stabilize and maintain the individual at home or in the family home. In no case, may the individual remain enrolled in the brokerage under emergent status for more than 270 consecutive days.

(ii) Support services provided during emergent status are subject to all requirements of this rule.

(iii) The individual's personal agent must participate with CDDP or Regional Crisis Diversion Program staff in efforts to stabilize supports and return costs to the individual's benefit level, documenting reviews of effectiveness at least every 90 days while the individual is receiving crisis diversion services.

(c) Individuals whose source of support funds are, in whole or in part, an individual-specific redirection of funds through SPD contract from a SPD-regulated residential, work, or day habilitation service to support services funds, or to comprehensive in-home support funds

regulated by OAR chapter 411, division 330 prior to enrollment in a brokerage, may have access to the amount specified in the SPD contract as available for the individual's use. This provision is only applicable when each transition is separate and specific to the individual and the services being converted are not subject to statewide service transitions.

(A) Individual plan year costs must always be less than the individual cost limit; and

(B) The brokerage must review the need for supports and their cost-effectiveness with the individual and the individual's legal representative at least annually and must make budget reductions when allowed by the ISP.

(d) Individuals whose support funds were specifically assigned through SPD contract to self-directed support services prior to the date designated by SPD for transfer of the individual from self-directed support services to a brokerage may have access to the amount specified in the SPD contract as available for the individual's use.

(A) Individual plan year costs must always be less than the individual cost limit; and

(B) The brokerage must review the need for supports and their cost-effectiveness with the individual and the individual's legal representative at least annually and must make budget reductions when allowed by the ISP.

(e) Individuals transferring from SPD's Home and Community-Based Waiver Services for the Aged and Adults with Physical Disabilities who have been determined ineligible for those waiver service funds in accordance with OAR 411-015-0015(4)(c), shall have limited access to support services funds as described in these rules. The amount of support services funds available shall be equal to SPD's previous service costs for the individual for no more than 365 calendar days. The 365 calendar days begins the date the individual starts receiving support services exclusively through a brokerage.

(f) For Medicaid recipients eligible for and choosing services under the Support Services Waiver, individuals may have access to a basic supplement for ADLs to purchase needed support services under the following conditions:

(A) The individual must have additional assistance needs with ADLs after development of their ISP within the basic benefit, extraordinary long-term need fund limit, or other exceptions provided in this rule. The services include:

- (i) Basic personal hygiene;
- (ii) Toileting, bowel, and bladder care;
- (iii) Mobility, transfers, and comfort;
- (iv) Planning and preparing nutritious meals and assuring adequate fluid intake;
- (v) Assisting with administration of medications, assuring medication is taken as ordered by physician, observing for reactions, and reminding appropriate persons when prescriptions need to be filled;
- (vi) Maintaining clean oxygen equipment and supply; and
- (vii) Delegated nursing tasks.

(B) ADL services may include the following activities if they are incidental to the provision of ADLs, essential for the health and welfare of the individual, and provided solely for the individual receiving support services:

- (i) Light housekeeping tasks necessary to maintain a healthy and safe environment;
- (ii) Arranging for necessary medical appointments;
- (iii) Observation of an individual's status and reporting of significant changes to appropriate people;

(iv) First aid and handling emergencies; and

(v) Extra support due to developmental disability.

(C) Activities and goals related to the provision of ADL services must be sufficiently documented in the individual's ISP.

(D) Planned expenses must be based upon the least costly means of providing adequate services and must only be to the extent necessary to meet the documented ADL needs.

(E) The supplement for ADLs may not cause the cost per any plan year to exceed the individual cost limit. There is an exception for individuals receiving both support services under these rules who had a benefit level at the individual cost limit and state plan personal care services under OAR chapter 411, division 034, as of June 30, 2005. These individuals may continue to access the basic supplement and the supplement for ADLs until the individual terminates their receipt of support services or becomes ineligible for one of the supplements. The combined basic benefit, the basic supplement, and supplement for ADLs must remain above the individual cost limit to remain eligible for this exception.

(F) For Medicaid recipients receiving state plan personal care services under OAR chapter 411, division 034 entering support services after June 30, 2005, the Medicaid Personal Care Assessment (Form SDS 0531A) shall serve as the individual's authorized ISP for a period not to exceed 90 days.

(G) The supplemental ADL services are not intended to replace the resources available to an individual receiving support services under these rules from their natural support system of relatives, friends, neighbors, or other available sources of support.

(5) AMOUNT, METHOD, AND SCHEDULE OF PAYMENT.

(a) The brokerage must disburse, or arrange for disbursement of, support services funds to qualified providers on behalf of individuals up to the amount agreed upon in an authorized ISP. The brokerage is specifically prohibited from reimbursement of individuals or individuals' families for expenses related to services and from advancing funds to individuals or individuals' families to obtain services.

(b) The method and schedule of payment must be specified in written agreements between the brokerage and the individual or the individual's legal representative.

(6) TYPES OF SUPPORTS PURCHASED. Supports eligible for purchase with support services funds are:

(a) Chore services. Chore services may be provided only in situations where no one else in the household is capable of either performing or paying for the services and no other relative, caregiver, landlord, community, volunteer agency, or third-party payer is capable of or responsible for providing these services;

(k) Specialized medical equipment and supplies as well as the following provisions:

(A) When specialized medical equipment and supplies are primarily and customarily used to serve a medical purpose, the purchase, rental, or repair of specialized medical equipment and supplies with support services funds must be limited to the types of equipment and supplies permitted under the State Medicaid Plan and specifically those that are not excluded under OAR 410-122-0080.

(B) Support services funds may be used to purchase more of an item than the number allowed under the State Medicaid Plan after the limits specified in the State Medicaid Plan have been reached, requests for purchases have been denied by the State Medicaid Plan or private insurance, and the denial has been upheld in an applicable hearing or private insurance benefit appeals process.

(C) Devices, aids, controls, supplies, or appliances primarily and customarily used to enable an individual to increase the individual's abilities to perform ADLs or to perceive, control, or communicate with the environment in which the individual lives, may be purchased with support services funds when the individual's developmental disability otherwise prevents or limits the individual's independence in these areas. - (c) Limits of payment:
 - (A) Support services fund payments for the agreed-upon services are considered full payment and the provider under no circumstances may demand or receive additional payment for these services from the individual, the individual's family, or any other source unless the payment is a financial responsibility (spend-down) of an individual under the Medically Needy Program; and
