except in circumstances where undue delay might jeopardize the health, safety, or welfare of the individuals, provider, or caregivers.

(c) A provider must return the AFH-DD license to the Department if the AFH-DD closes prior to the expiration of the license.

(9) IMMEDIATE EXIT.

(a) An individual who was admitted on or after July 1, 2014 may be moved without advance notice if all of the following are met:

(B) The provider learns that the individual is on probation, parole, or post-prison supervision after being convicted of a sex crime; and

(d) Prior to the move, the AFH-DD licensee must orally review the notice and the right to object with the individual, or as applicable the legal representative of the individual, and determine if a hearing is requested. A request for hearing does not delay the exit. The AFH-DD must immediately telephone the Central Office of the Department when a hearing is requested. The hearing must be held within five business days of the exit of the individual. An informal conference may not be held prior to the hearing.

(10) COMMUNITY LIVING SUPPORTS.

(a) Community living supports may be provided to one or more individuals if the addition of the individual receiving community living supports in the AFH-DD does not cause the capacity of the AFH-DD as determined by OAR 411-360-0060 to exceed five. Relief care may not be provided for more than 14 consecutive days to a single individual without prior approval from the Department.

(b) The provider must have information sufficient to provide for the health and safety of an individual receiving community living supports that includes the following:
