**Action required:**

ODDS is opening a survey on May 12, 2022 for County DD program managers and Support Services Brokerage Directors to complete by May 27, 2022. This quick survey is intended to capture current information about relationships with local emergency management offices. **(Survey will be linked here and may take 5 minutes to complete)**

Commented [TEA1]: External work group reviewing the survey questions

**Reason for action:**

In order to gather information about current relationships between Case Management Entities (CMEs) and their local emergency management offices. ODDS is looking to identify current barriers as well as information for how CMEs have successfully built relationships and overcome barriers in the past. ODDS will use this information to help CMEs **and** emergency management offices identify ways to improve local relationships and encourage ongoing communications.
