

ODDS Long-Term Care Community Nursing (LTCCN) and Direct Nursing Services (DNS) during employment or DSA services_ODDS responses to stakeholder comments
07/01/2021

Comment: Commenters expressed concern regarding availability of LTCCN and DNS providers, and requested ODDS work to remove barriers.

Response: This change is intended to ensure individuals who need LTCCN or DNS to access employment or DSA get the support needed to access these services, and remove barriers.
