**Message:**

ODDS is hosting a training on Local Match Transportation, as it will be expanding Local Match Transportation to Brokerages as of July 1, 2021. This training is for case management representative specifically appointed to as a liaison to facilitate local match, as well as for local match transit providers.

This training is intended to go over the requirements of enrolling someone in the Local Match Transportation program, monthly data submission, form requirements, etc. Although this service will be new to Brokerages in July 2021, all CMEs are welcome to participate.

Note that upcoming changes expected to ODDS Guidance on Local Match expansion and Community Transportation include the following:

1. Creating a Stand-Alone Worker's Guide for Local Match
2. Expanding Local Match to Brokerages
3. Clarifying that Community Transportation may be used if related to a goal in the ISP.
