Discussion/interpretation:

The [Expenditure Guidelines](#) version 12 has been updated to reflect a legislatively approved 8.2% rate increase for certain services and provider types. These rates are effective for all services beginning 7/1/21. Agency and non-PSW independent provider rates for the following services/procedure codes have been increased:

- Attendant Care (OR526)
- Day Support Activities (OR542)
- On the Job Attendant Care (OR545)
- PBSP Maintenance (OR310 and OR570)

- Job Coaching (OR401)
- Small Group Employment (OR543)
- Discovery (OR539)
- Employment Path (OR541)
- 24 Hour Residential (SE50)
- Children’s Residential (SE142) (includes an additional 3.08%)

Existing service agreements and ISPs that identify rates are not required to be updated. The eXPRS team will update the rates in all applicable SPAs and CPAs on 6/30/2021 effective 7/1/2021. Please do not manually update rates at this time. Once rates have been increased by the system, any changes to CPAs or SPAs should align with the expenditure guidelines. If you have questions about updating a rate please contact your FAC.

Exceptional rates already authorized will be updated. Funding memos approving the pre-July 1 exceptional rates will be considered a valid representation and approval of the new, post-July 1 increased rate.

For more information about these rate changes, please see the [Director’s Message from 6/28/2021](#).
