Message:

ODDS staff will continue to present Compass Project trainings in the coming months to prepare those who work in or receive services in Oregon's intellectual and developmental disabilities system. The trainings will be offered by webinar.

- 101 level trainings are open to all audiences.
- 201 and 301 level trainings have a specific focus for case managers and providers.

Please note these 201 and 301 level trainings involve breakout rooms and small group work. We recommend case management entities and providers coordinate internally to select one to two staff (managers, supervisors, leads) to attend one of these trainings and bring back the training info to the rest of their teams. ODDS is managing registration through Zoom.

If sessions fill up, we will review the waitlists and consider adding additional dates.
