Discussion/interpretation:

ODDS has created a [worker guide](#) to explain the timelines for agency provider rates for the following services:

- 24-Hour Residential Program Settings

- Host Homes
- Day Support Activities
- Employment

Implementation/transition instructions:

The worker guide is being issued as a technical support related to the transition of agency provider rates as part of the Compass project and rate models based on the Oregon Needs Assessment tool.

The guide explains timelines for a when a rate change may occur such as following a change in service group when there is an ONA conducted by a certified ONA assessor and considers if there is an exception requested.

The worker guide may be found on the ODDS Worker Guides page:
