Action required:

This transmittal should be referenced along with AR-14-064.

Issuance of Notification of Planned Actions:
When a service is being denied, terminated, reduced or suspended, a Notification of Planned Action must be issued in accordance with OAR 411-318-0020 and by following guidance identified in SDS0947A instructions. These same requirements apply when a service is being voluntarily reduced, terminated or suspended.

Form SDS0947 must be completed by using the form directly on the following website:

https://aix-xweb1p.state.or.us/es_xweb/FORMS/?-db=FormTbl.fp5&-lay=Main-&format=Findforms_FMP.htm&-findany

Do not save the form to your desktop as the form may go through changes in the future.
Hearing Requests:
CDDP or Brokerage employees who work with consumers or answer questions from consumers or their representatives, must be familiar with all the information found on the hearing request form, SDS 0443DD and Notification of Planned Action SDS0947. Specifically, Parts 1-5 of the hearing request form (SDS 0443DD), the Notice of Hearing Rights on the Notification of Planned Action, and instructions on page 7-8 of the Notification of Planned Action include important information related to the consumers rights to a hearing and the process of requesting a hearing.

Should a Notification of Planned Action be issued and the individual or their representative, express a desire for a hearing (verbally or in writing), or sends a hearing request directly to you (or your office), the service coordinator/personal agent must complete SDS 0443DD and submit it to the DD Administrative Specialist (Part 2 on SDS 0443DD for address and fax number) within 2 business days. See Part 4 on the Instructions for Notification of Planned Action on how to notify ODDS when the hearing request is received at the CDDP or Brokerage.

Reason for action:
When services are being terminated, reduced or suspended, AND the individual or their representative wants services to continue during the hearing process, there are deadlines that must be met in order for an individual’s services to continue to be received at the same level of service during the hearing.

SDS0947A Part 4 includes information about what to do if the Service Coordinator or Personal Agent receives information regarding a request for a hearing.
