If you have additional questions about the EOS census, or if you or your organization provided an ODDS employment service during the month of March 2016, and you do not have a login ID or Password for EOS, please email: employment.data@state.or.us.

Reason for action:

The Employment Outcomes System (EOS) is a semi-annual report that has been collected since 2003. The data gathered is used to inform and monitor policy.
