**Action required:**

The end of the 2015-2017 Biennium (BI) is quickly approaching. The Office of Developmental Disabilities Services (ODDS) would like to take this time to remind all Brokerages of key practices that need to be completed in order for the biennial rollover to occur and to help alleviate settlement issues for the 2015-2017 BI.

**eXPRS Client Prior Authorizations (CPA):**

In order for the DD 148 CPAs to be rolled into the 2017-2019 biennium automatically:

- Review all DD 148 CPAs with an ongoing "Y" (Yes) flag and have an end date of June 30, 2017.
- Review all DD 148 CPAs with an ongoing "N" (No) flag and have an end date of June 30, 2017. If not, update the flag
- Only CPAs with an ongoing flag of "Y" and an end date of June 30, 2017 will be rolled into the 2017-2019 BI.
- Review all "DRAFT" or "PENDING" CPAs.
- Delete/Void/Withdraw any CPAs that do not need to be accepted.

- “DRAFT” CPAs that should be in accepted status are to be reviewed and steps taken to get them accepted.
- All CPAs for the 2015-2017 BI will need to be corrected no later than August 31, 2017.
- Any changes made to a 2015-2017 CPA after **May 19, 2017**, will be the Brokerages responsibility to update/create the 2017-2019 CPA.

### **eXPRS Plan of Care (POC):**

Review all Plan lines and corresponding Service Prior Authorizations (SPAs) to ensure entries match the individual’s Individual Support Plan (ISP) and Adult Needs Assessment/Children’s Needs Assessment (ANA/CNA). Make corrections in POC as needed.

Accepted SPAs for the Procedure Codes below, with an end date of 6/30/17 are within a POC that ends on or after July 1, 2017 and have been entered in eXPRS as of **May 19, 2017** will roll in to the next biennium to the end of the plan year.

- OR 004 – Community Transportation
- OR 100 – In Home Care, ADL
- OR 101 – In Home Care, IADL
- OR 310 – Behavior Support service (on-going)/ **NOTE: OR 570 will not be rolled automatically.**
- OR 401 – Job Coaching – only modifiers W4, W5 and W6
- OR 526 – Attendant Care Support (ADL/IADL)
- OR 541 – Employment Path Services
- OR 542 - DSA
- OR 543 (W2) – Small Group Supported Employment

Procedure Codes not listed above must be manually entered by the Brokerage to authorize services as of 7/1/2017.

Any accepted SPAs with a Plan Date that ends prior to July 1, 2017 will not roll in to the next biennium. Any SPAs entered in to a POC **May 20, 2017 or later** will need to be manually entered by the Brokerage if needed for the 2017-19 BI.

Any SPA in draft or pending status will not roll over during the automated process. These will need to be done manually by the Brokerage.

Plan Lines already entered by your agency for services July 1, 2017 forward that

disappeared from your agency's view after entry in to POC will be available for your agency to view after the DD 48, 148, 248 CPAs are created for the 2017-2019 BI.

Review all Service Delivery (SD) lines that are in draft, pending or suspended status for the 2015-2017 BI. Determine if the SDs are to be approved, need ODDS approval or denied/voided and follow current procedures to processes.

Review all kid's plans in POC to ensure summer hour changes are entered correctly in the SPAs.

**eXPRS Service Element Prior Authorizations (SEPA) for 2017-2019:**

Once CAU has received confirmation from the Office of Contracts & Procurement that your Brokerage has signed and submitted the 2015-2019 contract amendment to extend the contract to June 30, 2019, CAU will process the SEPAs for DD 146 and 146 for the 2017-2019 biennium and submit the SEPA to pending acceptance status for each Brokerage to review and approve. Brokerage is to review and accept the 2017-2019 SEPAs prior to June 20, 2017 to receive funding by July 1, 2017.

Any SEPAs accepted after June 20, 2017 will have funding released after July 1, 2017.

**eXPRS Provider Prior Authorizations (PPAs):**

PPAs with an end date of June 30, 2017 will be rolled in to the new biennium. These PPAs will be reviewed and accepted by ODDS.

**Reason for action:**

To ensure all DD 148 CPAs and POC SPAs are ready to be rolled with accurate information in to the next biennium.

To ensure the Brokerages review and approve the SEPAs by June 20, 2017 in order for funding to be released by July 1, 2017.

**Field/stakeholder review:**       Yes       No
