The ODDS Death Reporting Worker Guide is available for use on the [DD Case Management Tools](#) web page under the "Case Management Reference" heading and on the [DD Brokerage Personal Agent Tools](#) web page under the "Basic Brokerage References" heading.

The worker guide describes the death reporting notification procedures including timelines, forms and ODDS contacts for CDDP, Brokerage and CIIS Case Managers. Future updates will be made directly to the worker guide and will not be updated via Information Memorandum. Please reference the online version regularly in order to stay current with the most recent version.
