Message:

Information regarding the new Employment Rates for Job Coaching were released in [Action Request 16-066](#), and Plan of Care Changes regarding Job Coaching, Job Development, and Discovery in [Action Request 16-065](#). Additionally, a call was held on September 30, 2016, to discuss these new rates and procedures.

The Office of Developmental Disabilities Services has developed training for the new rates that is available on iLearn and YouTube. The training should take approximately 35 minutes to complete. As part of this training, it is expected that training participants will have reviewed the Action Request Transmittals 16-066 & 16-065.

The link for the iLearn Course is: <http://go.usa.gov/xKtm6>. The iLearn Course will allow for the course to become part of the training record for the participant, and obtain a certificate upon successful completion. There are 10 questions throughout the module to check understanding of concepts presented. This course may be completed as many times as the participant wishes to view.

The YouTube video is available at: <https://youtu.be/7zi1CHO1AUo>. Please note - you cannot obtain a certificate of completion from the YouTube video version. If you require a certificate of completion, iLearn is the more appropriate version of this course to

review; however, participants are welcome to review either, or both versions of this training.
