Message: ODDS has developed three new online tools to help facilitate the implementation of employment services.

FAQ: Employment Service Provider Training, Credentialing, and Core Competencies

ODDS developed an FAQ document for Employment Service Provider Training, Credentialing, and Qualification Frequently Asked Questions.

The FAQ document, FAQ Employment Training, Credentialing, and Core Competencies, is available on the [Employment Service Provider Resources](#) page.

Authorizing Integrated Employment Supports

ODDS developed an online tool to help Service Coordinators or Personal Agents identify the appropriate service authorizations once an individual has obtained competitive integrated employment.

The tool, Authorizing Integrated Employment Supports, is available on the [SC/PA Employment Resources](#) page. Adobe Reader version 9 or later is required to view.

New Employment Service Provider Enrollment

ODDS developed an online tool to help inform potential providers of the necessary qualifications, training, and certifications required to deliver ODDS funded Employment Services to individuals with intellectual or developmental disabilities.

The tool, Provider Enrollment Guide, is available on the [Employment Service Provider Resources](#) page. Adobe Reader version 9 or later is required to view.
