Message:

Oregon Administrative Rule 411-365 allows for the appointment of an ISP team appointed Health Care Representative (HCR) for eligible adults. OAR 411-365-0030(4) requires that a minimum of two ISP team members who have completed the Department approved training participate in the appointment of an HCR. One of the ISP members must be the service coordinator of the individual.

ODDS has transitioned the HCR training from an in-person training to a webinar that will be offered the first Monday of every other month. The schedule through September of 2020 is below.

Interested parties can visit this link to register for one of the webinars:
