| <input type="checkbox"/> Child Welfare Programs                          |  |

**Message:**

As OSIPM cases for individuals with I/DD are converted into the ONE system, data which is used to determine those individuals on the monthly 300% and PMDDT data will no longer be available for accurate reporting. The July 2020 data sent to CMEs on 7/9/20 will be the last monthly data distributed until the data becomes available for internal reporting at some point in the future.
