Message:

The Office of Developmental Disabilities Services (ODDS) is working on developing future frameworks for Medicaid eligibility determinations, referrals and redeterminations in the OregONEligibility (ONE) system. As the future framework is being developed, communication and clarification about ONE is a top priority to ODDS.

As the future frameworks are being developed and individual questions are identified, Case Management Entities (CMEs) may submit questions to ODDS.ONEquestions@dhs.oha.state.or.us. ODDS will review questions and update a Frequently Asked Questions (FAQs) on a weekly basis. New questions will be identified with the date they are added. Answers previously given that are amended or updated will be written in red text.

FAQs will be posted on the DD Staff Tools page under the FAQ 'ONE' section <http://www.dhs.state.or.us/spd/tools/dd/cm/>. Answers to questions gathered from CME managers during a webinar on October 1, 2020 have been posted in the FAQ that is now posted on the DD Staff Tools page. Questions without final answers are marked as such.

Any new policies or amendments to existing policies or future actions needed from CME's will be communicated via future transmittals.
