Message:

The Oregon Department of Human Services, Office of Developmental Disabilities Services (ODDS) has a new distribution process and website for transmittals relating to developmental disabilities services.

Starting January 1, 2021, ODDS transmittals will be distributed by email (ODDS.Transmittals@dhsosha.state.or.us) to those who are on the applicable distribution list. Others that are interested in receiving ODDS transmittals may also subscribe through Gov Delivery:
https://public.govdelivery.com/accounts/ORDHS/subscriber/new?topic_id=ORDHS_928

ODDS transmittals dated after December 31, 2020 will no longer be posted at the site ODDS shared with Aging and People with Disabilities:
<http://www.dhs.state.or.us/policy/spd/transmit/transmit.htm>

The new website for ODDS transmittals is:
<https://www.oregon.gov/dhs/SENIORS-DISABILITIES/DD/Pages/Transmittals.aspx>

The new ODDS transmittals site includes a searchable table where all transmittals related to developmental disabilities services will be posted. The search feature may be used to search for any key words, a specific transmittal number, status (active/obsolete), or specific date. Only the information that appears in the table is searchable. The search feature does not search through the content of the transmittal.

In addition:

- The column titles may be sorted by ascending/descending by clicking on the title.
- If a transmittal was updated after November 1, 2020, a pdf of the original transmittal is included in the archive/note column. Archived transmittals include an "ARCHIVED" watermark.
- Obsolete transmittals include an "OBSOLETE" watermark.

The new site is a work in progress and currently only includes all active and obsolete transmittals from 2019 and 2020. Once the site is completed, it will include all active ODDS transmittals (regardless of date) and obsolete transmittals starting in 2015.

This transmittal will be discussed during the monthly transmittal call on January 13, 2021 at 2 p.m. online at the following link:
