Policy/rule title:	ODDS Phase 1 Reopening Policy Worker's Guides

Discussion/interpretation:

ODDS responded rapidly to the COVID-19 pandemic and state of emergency. This was done primarily through a series of transmittals and supporting documents describing various temporary changes to normal policy and operations. As Oregon begins reopening, it is ODDS' desire to consolidate these COVID-19 related changes into six guides, each targeted to a specific audience. These guides will replace most of the transmittals released since the start of the COVID-19 pandemic. The guides are ODDS policy. The target groups are:

- Case Management Entities (CMEs):
[Case Management Phase 1 Worker's Guide](#)
- 24 Hour Residential and Foster Care Providers:
[Residential Phase 1 Worker's Guide](#)
- Employment and Day Support Activities Providers:
[Employment and DSA Phase 1 Worker's Guide](#)
- Supported Living Providers:
[Supported Living Phase 1 Worker's Guide](#)
- In-Home Agency Providers:
[In-Home Agency Phase 1 Worker's Guide](#)
- Licensors:
[Licensing Phase 1 Worker's Guide](#)

Transmittals aimed at other provider types (including Personal Support Workers [PSWs] and Behavior Consultants) will remain in place.

There are also several resources for Individuals and Families regarding re-opening including:

- [COVID-19 Reopening Powtoon](#)
- [ODDS Phase 1 Reopening Fact Sheet](#)
- [Developing a Plan for Returning to Work and Activities](#)

Oregon's overall re-opening strategy is happening through a series of three phases. Different counties may be in different phases at the same time, and the different phases may affect the policies contained in these guides. The guides will be updated to reflect policy changes based the phases. The applicable policy is based on the phase of location of the service or setting. To know the status of any particular county, look [here](#). All the information in the guides are [posted here](#) for counties that have not

yet begun to reopen or are in phase one.
