DHS 0079 (01.19)
Attendant Care and the “School Day”: Attendant care hours may be used at any time of day as determined by the child’s parent/guardian, due to the unique nature of this school year.

Appropriate Use of Attendant Care: Attendant care may be used for activities of daily living (ADL), instrumental activities of daily living (IADL), health-related, or behavior support tasks identified in the child’s Individual Support Plan (ISP). This includes cueing, monitoring, reassurance, redirection, set-up, hands-on, standby assistance, and reminding. Attendant care cannot be used solely for the purpose of educational activities or homeschooling.

Children and young adults eligible for special education services authorized under the Individuals with Disabilities Education Act (IDEA) are not eligible for Day Support Activities (DSA) or Employment Path services without an exception from the Department. DSA for individuals 18-21 cannot be facility-based.

Implementation/transition instructions: Case Management Entities (CMEs) will share this information with parents/guardians of children receiving in-home services through email, phone call, or other method. CMEs will forward this information to in-home provider agencies that serve their area.
