NOTE: AL= Assisted Living, RC= Residential Care, MC= Memory Care, AFH= Adult Foster Home.

Oregon DHS contracted Portland State University's Institute on Aging to study community-based care settings. Results are based on provider responses to a self-administered questionnaire. 308 AL, RC and MC communities (60% response) and 350 adult foster homes (52% response) completed the questionnaire. The full reports are available at: <https://www.pdx.edu/ioa/oregon-community-based-care-project> and <https://www.oregon.gov/DHS/SENIORS-DISABILITIES/Documents/ARM%20Summary%20Report%20for%20DHS%20-%202016.pdf>
