Section 3. Grievances shall be filed within thirty (30) calendar days of the date the grievant or the Union knows or by reasonable diligence should have known of the alleged grievance. Once filed, the Union shall not expand upon the original elements and substance of the written grievance.

Grievances shall be reduced to writing, stating the specific Article(s) alleged to have been violated, a clear explanation of the alleged violation, and the requested remedy. Grievances shall be processed in the following manner:

Step 1. The Union on the Grievant's behalf may submit the grievance in writing within thirty (30) calendar days to the Home Care Commission Executive Director or designee. The grievant and Union representative (designated by the Union) or the Union representative will attempt to meet with the Home Care Commission Executive Director or designee within thirty (30) calendar days following the Commission's receipt of the grievance. Such meeting, if held, may be face-to-face or via teleconference. Failure to meet will not invalidate the grievance.

The Commission designee shall respond to the grievance in writing within fifteen (15) calendar days following the Step 1 meeting or the date when the Parties agreed that such a meeting would not be necessary.

Step 2. No grievance may be processed under this Step which has not first been filed and investigated in accordance with Step 1 above. When the response at Step 1 does not resolve the grievance or no response is received within the fifteen (15) calendar days, a Notice of Appeal and appropriate filings may be filed in writing to the Employment Relations Board (ERB) for hearing and the Home Care Commission within forty-five (45) calendar days from the date the Step 1 response was due or received, unless the Parties mutually agree to seek alternative dispute resolution assistance. The filing shall include the formal written grievance and any related information. The ERB shall have no authority to rule contrary to, to amend, add to, subtract from, change or eliminate any of the terms of this Agreement. The Parties waive any right to appeal ERB decisions at Step 2. The decision of ERB shall be final and binding except for decisions made outside the scope of their authority as defined in this paragraph.

Section 4. Time Limits. The time limits specified in this Article shall be strictly observed, unless either Party requests a specific extension of time, which, if agreed to, must be stipulated in writing and shall become part of the grievance record. "Filed" for purposes of all steps shall mean date of receipt by mail, hand delivery, by facsimile (fax), or as otherwise agreed to by the Home Care Commission Executive Director, or designee, and the Union. If the Employer fails to issue a response within the time limits, the Union may advance the grievance by written notice to the next step unless withdrawn by the Union. If the Union fails to meet the specified time limits, the grievance shall be considered withdrawn and cannot be resubmitted.

Section 5. The Employer is not responsible for any compensation of Employees or their representative for time spent investigating or processing grievances nor any travel or subsistence expenses incurred by a grievant or Union Steward in the investigation or processing of grievances.

Section 6. Each party shall bear the cost of its own presentation at Step 2, including preparation and post-hearing briefs, if any.

Section 2. Eligibility. Initial eligibility shall begin thirty (30) days after the second month when an Employee has worked a minimum of eighty (80) authorized and paid hours in each of the two (2) immediately preceding months. - b) If the accrued hours are not used by January 31 of each year, fifty percent (50%) of the remaining accrued hours will be paid out at the employee's average daily authorized wage rate and the balance shall be reduced by the number of hours cashed out. Vouchers claiming paid time off that are received after the cut-off dates in this Section may only receive pay up to the balance remaining available. Cash-out payment will be initiated on the first business day of February.
- c) Live-in providers who separate from service and return and provide live-in services within one (1) year from the last date live-in services were provided to a consumer shall have all unused leave credits restored.
- d) Live-in providers who convert to hourly or separate from live-in service and return as an hourly provider within one (1) year from the last date of live-in services shall be credited with their unused hours of leave up to a maximum of thirty-two (32) hours.

Section 2. All Hourly Providers. On July 1 of each year, all active employees who worked eighty (80) authorized and paid hours in any one (1) of the three (3) months that immediately precede July (April, May, June) shall be credited with sixteen (16) hours of paid time off. On February 1 of each year, active employees who worked eighty (80) authorized and paid hours in any one (1) of the three (3) months that immediately precede February (November, December, January) shall be credited with sixteen (16) hours of paid time off.

- a) Such time off must be utilized in eight (8) hour blocks. If the Employee's normal workday is less than eight (8) hours, such time off may be utilized in blocks equivalent to the normal workday. - b) Employees shall be allowed to take available accumulated paid time off when their regular Consumer/Employer is temporarily unavailable for the authorized Employee to provide services to the Consumer/Employer. In all other situations, Homecare Workers who are not working during a month shall not be eligible to use paid time off in that month. As long as the affected workers remain active, such employees will be cashed out for their earned paid time off at the regular cash-out interval.
- c) If the accrued hours are not used by January 31 each year, the remaining accrued hours will be paid out at the employee's average daily authorized wage rate and the balance shall be reduced to zero (0). Cash-out payment will be initiated on the first business day of February. Employees will not be cashed out for hours they already have requested to use at the time of the cash-out. Vouchers claiming paid time off that are received after the cut-off dates in this Section will not receive pay for the time used when the paid time off already has been cashed out.

Section 3. Time taken off will be reflected on the time sheet. The accumulated paid time hours off will be posted on each wage statement balance.

Section 4. Hourly Homecare Workers who transfer to twenty-four (24) hour care shall maintain their paid time off balance and begin accruing at the twenty-four (24) hour rate effective the first of the month in which they begin their twenty-four (24) hour assignment.

Section 5. It is not the Homecare Worker's responsibility to find their own replacement when they take paid leave. The Consumer/Employer has the primary responsibility for selecting and hiring their providers. Paid leave must be prior authorized with the Consumer/Employer and relief must be available if necessary and the Agency must be notified in order to authorize the Relief Worker and issue a voucher as per Article 8, Payroll/Voucher Systems, Section 2. The Consumer/Employer will need to sign the paid leave voucher, as they would any other voucher. Sometimes the Consumer/Employer will require assistance from the Program Manager or designee in finding a suitable replacement provider.

ARTICLE 17 – TASK LIST OF AUTHORIZED SERVICES

Section 1. Case managers will request that the Consumer/Employer provide a copy of approved services and maximum hours to their Homecare Worker(s). If Employee(s) do not receive a copy of a task list of authorized services and maximum authorized hours from their Consumer/Employer, they may request a written copy from the case manager, which shall be provided to the Employee within five (5) business days from the date of request.

Section 2. If changes in hours and/or services occur other than as a result of Consumer/Employer illness requiring alternative care or death, notice of the change shall be provided to the Employee in writing on or before the effective date of the change.

Section 3. The Consumer/Employer retains the right to reduce the number of hours and/or services at any time.

Section 4. The Home Care Commission shall develop a Live-in Homecare Worker Orientation that will be offered by the local SPD/AAA office. A live-in Homecare Worker shall complete the orientation prior to commencement of employment as a live-in provider. This Orientation shall provide Live-in Homecare Workers with information about the types of services and related trainings applicable to Live-in Homecare Workers. The Orientation will include, but is not limited to, information regarding live-in pay rates, number of hours authorized at different pay rates, and total maximum monthly authorized hours.

Section 5. The Homecare Worker should receive the task list prior to beginning employment from the consumer/employer. Live-in Homecare Workers should request their task list prior to beginning work if it is not received from the Consumer/Employer.

ARTICLE 18 – TEMPORARY CONSUMER ABSENCES

Live-in providers shall continue to receive the rate of pay immediately preceding the Consumer/Employer's absence from his/her home due to illness or medical treatment for up to a maximum of thirty (30) calendar days. This provision is predicated on the expectation that the Consumer/Employer will be returning home within that thirty (30) day period.

ARTICLE 19 – WAGE OVERPAYMENTS

Section 1. Overpayments in wages resulting from Consumer/Employer or provider error shall be repaid at no more than five percent (5%) of the Employee's pay that is based on hours paid until repaid in full. If the Employee leaves his/her employment as a Homecare Worker before the overpayment has been fully recovered, the remaining maximum amount may be deducted from the Employee's final check(s).

Section 2. An Employee who disagrees with the determination that an overpayment has been made may grieve the determination through the grievance procedure.

ARTICLE 20 – HEALTH AND SAFETY

Section 1. When gloves and masks are not available at the Consumer/Employer's residence, the Employee may request from the local DHS/AAA or AAAD location and receive a sufficient amount to address assessed Consumer/Employer needs on a monthly basis. Non-latex, non-powdered gloves will be provided where there is a demonstrable need, including those relating to allergic reactions to latex and/or powder. Requests by the Employees for safety equipment other than the gloves and masks that are routinely provided shall be in writing and shall be provided subject to local DHS/AAA or AAAD management approval. All such requests will be responded to by Program Managers or designee in each office within twenty (20) calendar days from the receipt of the written request.

Section 2. Employees shall have access to information on communicable diseases, blood-borne pathogens, and universal precautions through the local DHS/AAA or AAAD office. Such information shall be made available at New Homecare Worker Orientations, and will also be made available by Program Managers or designee in each office, upon request.

LETTER OF AGREEMENT
ARTICLE 7 – UNION RIGHTS

- All Union dues, fair share payments, charitable contributions made in lieu of dues and Issues Fund assessments shall be based on a service period (defined as the calendar month in which services are authorized and provided) and taken from all checks for the service period in question, provided sufficient funds are available.
- All other current Union deductions, including but not limited to, Citizen Action for Political Education (CAPE) contributions shall be based on a service period and shall be deducted from the first check issued for the service period in question provided sufficient funds are available.

- Deductions pursuant to this Letter of Agreement shall be remitted to the Union pursuant to the provisions in Article 7, Section 7 of the collective bargaining agreement.
- Pursuant to Article 7, Section 5, the Union agrees to pay reasonable costs associated with fair share and dues deduction administration and/or system changes to accommodate fair share and/or dues deduction.
- The Union shall indemnify and hold the Employer or designee harmless against claims, demands, suits, or other forms of liability which may arise out of actions taken by the Employer or designee for the purpose of complying with the provisions of this Letter of Agreement.

This LOA will sunset on June 30, 2011.

LETTER OF AGREEMENT
ARTICLE 16 – TIME OFF

The Parties agree to continue a pilot project that will apply to Live-in Homecare Workers (seven (7)-day service only). The pilot program shall be in accordance with the following:

- A Live-in Homecare Worker who is separated from service due to his/her Consumer/Employer no longer being eligible for the in-home service program may apply for a one hundred percent (100%) cash-out of unused paid time off.
- The Live-in Homecare Worker submits a completed SDS 2310 to the local office.
- If such cash-out is made, the Employees' remaining paid time off balances shall be reduced to zero (0).
- Payment will be initiated upon verification that the Homecare Worker has met the above criteria.

This LOA and pilot program will sunset on June 30, 2011 whether or not a successor collective bargaining agreement for 2011-2013 has been reached.

This agreement is non-precedent setting and cannot be referenced in any other forum except successor negotiations for this bargaining unit.
