Pre-registration is required and assures your spot in the class. Many classes fill to capacity and will not be able to accommodate walk-ins. Don't be a "No Show." Email, Call or login to the Registry and cancel if you can't make a class! New certifications require workers have low "no show rates" for acceptance.

Register Today! Here's how:

1. Do it Yourself.

Register Online by going to www.or-hcc.org and follow these steps:

- Select a program area, then login
- Navigate to the "Training" tab and select "Upcoming Training Classes"

The Registry

Looking for work? Be sure to update your profile every **30** days. Check the "Help Wanted" section for consumers looking for a worker. Select the county or counties where you want to work to find listings. Click the "Expand" button to make sure you meet the person's needs before calling. The Registry web address is: <https://www.or-hcc.org> For help with the Registry, send an email to Registry.OHCC@state.or.us or call 877.867.0077.

To be referred on the Registry, HCWs and PSWs are required to have the following annual continuing education. Complete four (4) training classes a year. If you are new, you have one year from the date you receive your provider number to complete these. At least once every two years, you must complete one of the HCC Safety training classes – PASS, PDT, TRIPS, or COMPASS. The other 7 classes in those two years can be any class approved for your group, except for MoneyWise. (COMPASS counts as two classes).

Enhanced Worker Certification Course

We are looking for more providers to be part of our Enhanced Worker Certification Course! The Enhanced Worker Certification Course includes 25 hours of course work in addition to out- of-class requirements that require access to the internet. **There is no training stipend for this course.** The certification will allow workers the opportunity to earn \$1.00 above base rate pay *for any consumers pre-approved for enhanced needs.*

Workers (with the exception of CIIS PSWs or those who have a current Professional Development Certification) will need to pass a Readiness Assessment before attending the course. The assessment is based on content from the following eleven (11) classes: Bathing & Grooming, Challenging Behaviors, Durable Medical Equipment, Keeping It Professional, Medication Safety, Helping Caregiver Fight Fraud and Abuse, Nutrition Basics, Working Together, Preventing Disease Transmission, Protect Against Sprains and Strains, and Taking Responsibility In Personal Safety.

NEW!!! Here is the link to take the Enhanced Readiness Certificate any time, day or night, 24/7: <https://www.surveymonkey.com/r/RFSSX97> After you pass the assessment, with a score of 80% or higher on your first attempt in a calendar month, you will receive an email with details about signing up for a class.

Please visit the certifications webpage for information on how to prepare for this certification, and application requirements. <http://www.oregon.gov/DHS/SENIORS-DISABILITIES/HCC/PSW-HCW/Pages/Enhanced-Exceptional-Workers.aspx>

Exceptional Worker Certification for PSW's

What is an Exceptional PSW Certification? The "Exceptional Worker Certification" means a worker certified by the Oregon Home Care Commission to deliver services to individuals who require advanced medically or behaviorally driven services and supports beyond the Enhanced level as determined by the service coordinator or personal service agent. The program is for PSW's only. The Exceptional Personal Support Worker Certification requires a time commitment of 10 to 12 hours of blended learning. The certification will allow workers the opportunity to earn \$3.00 above base rate pay *for any consumers pre-approved for exceptional needs.* To apply for the Exceptional Personal Support Worker Certification Program, you must:

- Have an active Personal Support Worker provider number.
- Have already completed the Enhanced Certification Program *and have your certification.*
- Have a current OIS certification.
- Have less than a 20% "No-Show" rate for OHCC classes. Agree to the time commitment.

For more details, please visit our website at <http://www.oregon.gov/DHS/SENIORS-DISABILITIES/HCC/PSW-HCW/Pages/Enhanced-Exceptional-Workers.aspx>.

If interested, or if you have any questions, please send an email to Certifications.ohcc@dhsosha.state.or.us. Please include the word 'Exceptional' in the subject line!

COMPASS

COMPASS stands for Communities Of Practice And Safety Support. It's a program to promote injury prevention and health for Homecare Workers and Personal Support Workers. It involves 7 (seven) sessions, each 2 (two) weeks apart, with a small team of workers learning and sharing health, safety and work practices. COMPASS members work as a team to collaborate with each other to share best practices and help with problem solving. Each member is expected to participate fully. This is not a class to sit back and listen! When you sign up for COMPASS you are committing to attend all seven sessions. To receive a Certificate of Completion, you must attend at least five of the sessions. You will receive the OHCC Training Stipend for each session if you meet the criteria. Courses are limited in size, so if you choose to register, do so soon. Please, if you are unable to participate in all -- or most -- sessions, we ask that you allow a spot to be used by someone else. Check the registry for more details, including upcoming locations.

PSW Job Coaches make a difference in the workplace

Sometimes when a person with an intellectual or developmental disability (I/DD) starts a new community job, they might need help from someone called a job coach. A job coach is someone who supports the person at his or her job. This might include things like creating visual aids or work checklists, or making sure the person knows how to check in with their supervisor and interact with coworkers. It might also include taking extra time with the person to make sure they understand the job and the tasks that they are expected to do. When someone is working with the help of a job coach, this is called Supported Employment.

A Personal Support Worker can become a Job Coach and support a person with a disability at their job. It is meaningful and important work to help a person succeed at their job, and help them become independent in the community and workforce.

PSW Job Coaches earn higher wages, and being a Job Coach also can be a way to start a career path in the developmental disabilities field.

Job coaches can also work with employers to explore unmet business needs so that jobs can be developed or customized. Support (to the employee and employer) in addition to skills training can consist of advocacy, disability awareness-building, job adaptations, social support, problem-solving, and the development of natural supports to allow the job coach to phase out eventually.

Additional training is required to become a PSW Job Coach. If you are already enrolled as a PSW, you must also complete one approved supported employment training within 90 days of enrollment as a job coach. You must also complete the online Core Competencies Supported Employment modules within one year of enrollment. Information about the Core Competencies is online: <https://www.dhs.state.or.us/policy/spd/transmit/ar/2017/ar17020.pdf>

A worker guide on PSW Job Coach Enrollment and training requirements is at: <http://www.oregon.gov/DHS/SENIORS-DISABILITIES/DD/Documents/Worker%20Guide%20-%20Personal%20Support%20Worker%20Employment%20Services%20Enrollment.pdf>

A short fact sheet on Job Coaching is here: <http://www.oregon.gov/DHS/SENIORS-DISABILITIES/DD/Documents/FactSheet-JobCoaching.pdf>

A video on how job coaching supports a person is here: <https://www.powtoon.com/embed/fliuQ0Bksvc/>

If you have any questions or want information about how to become a PSW Job Coach, contact Stephanie Roncal with the Office of Developmental Disabilities Services at 503-945-5759 or Stephanie.Roncal@state.or.us.

Professional Development Certification (PDC)

The Professional Development Certification (PDC) offers the opportunity for the PSW or the HCW to earn a higher wage of 50 cents above the base rate. Additionally, the classes and requirements offer an educational opportunity which will help the worker build skills that can be applied in their day to day work experience. The certification period is for 24 months. If you have completed all the required classes and assessments, completed your CPR/First Aid certification, and have a "No Show" rate of 20% or less, then you are ready to submit a PDC Application. Applications are on our website at: <http://www.oregon.gov/DHS/SENIORS-DISABILITIES/HCC/PSW-HCW/Pages/Professional-Development-Certification.aspx> Please email the application, along with attached copies of your CPR/First Aid cards, to Certifications.ohccc@dhsola.state.or.us

Applications must be in our office by the first day of the month to be eligible for certification approval. If all requirements have been met then approval and certification will begin the first day of the following month. For example: you email your application in and we date stamp it at our office January 12, 2018; you would qualify to have your certification begin on March 1, 2018. You missed the deadline for February 1, 2018 because you did not have the application to us by January 1, 2018. Processing of your application takes time. We have to coordinate with other DHS departments, as well as, verify all requirements for each application received. This usually takes 2-4 weeks. Once you have been approved, you will receive a confirmation email informing you of your two year certification period with your attached Professional Development Certificate.

In order for your PDC wage increase to *not be interrupted* when your CPR/First Aid card expires, we ask that you do the following:

1. Track the expiration date of your CPR/First Aid card on your personal calendar
2. Send a copy of the CPR/First Aid cards *directly to OHCC* as soon as you get the renewal cards
3. Send to Certifications.ohccc@dhsola.state.or.us.

If you do not provide OHCC with a copy of your card, the .50 wage increase will drop off of your hourly rate. The .50 wage will return on the next pay period after the card is provided to OHCC, not the effective date on the cards so *don't forget to send us your renewal cards!*

Assessments:

- ✓ Each PDC class has an online assessment available to the worker and can be taken at any time following the end of class. The class must be completed before the assessment will count.
- ✓ Only your first assessment score counts. If the score is lower than 80%, you will need to retake the class and assessment.
- ✓ The instructor will pass out the link to the assessment after class. If you have taken the class but still need to take an assessment, email your name, provider number, and the class name to Certifications.ohccc@dhsola.state.or.us and we will send you a link.

Helpful Tips:

- ✓ Keep a log of the assessments you have completed and your scores.
- ✓ Keep a close eye on your renewal date for your CPR/First Aid and plan ahead so you don't have a gap in your Professional Development Certification wage increase.
- ✓ If you have questions, please send an email to: Certifications.ohccc@dhsola.state.or.us
