Registering for Trainings

Trainings in this newsletter are provided for Homecare Workers (HCWs), Personal Support Workers (PSWs), and the consumer/employers they work for. See page 9 for Adult Foster Care/Guest registration instructions. Pre-registration

is required and assures your spot in the class. Many classes fill to capacity and will not be able to accommodate walk-ins.

Don't be a "No Show." Call and cancel if you can't make a class! New certifications require workers have low "no show rates" for acceptance.

Register Today! Here's how:

1. Do it Yourself!

Register Online by going to www.or-hcc.org and follow these steps:

- Select a program area, and then login
- Navigate to the "Training" tab and select "Upcoming Training Classes"
- Review upcoming classes
- Sign-up for and cancel upcoming classes

2. Send an Email.

The Registry

Looking for work? Be sure to update your profile every **30** days. Check the Help Wanted section for consumers looking for a worker. Select the county or counties where you want to work to find listings. Click the "Expand" button to make sure you meet the person's needs before calling. The Registry web address is: <https://www.or-hcc.org> For help with the Registry, send an email to Registry.OHCC@state.or.us or call 877.867.0077, Option #3.

To be referred on the Registry, HCWs and PSWs are required to have the following annual continuing education. Complete four (4) training classes a year. If you are new, you have one year from the date you receive your provider number to complete these. At least once every two years, you must complete one of the HCC Safety trainings – PASS, PDT, TRIPS, or COMPASS. The other 7 classes in those two years can be any class approved for your group, except for MoneyWise. (COMPASS counts as two classes).

Professional Development Certification is Here!

The Professional Development Certification (PDC) began on January 1, 2017.

The Professional Development Certification offers the opportunity for the PSW or the HCW to earn a higher wage of 50 cents above the base rate. Additionally, the classes and requirements offer an educational opportunity that will help the worker build skills that can be applied to their day to day work experience. The certification period is for 24 months and it begins one month after the application is received in the Oregon Home Care Commission Training Unit. If you have completed all the required classes, completed your CPR/First Aid certification and have a "No Show" rate of 20% or less, you are ready to complete your PDC Application. You can find the application on our website. To be most efficient, you can email the application to us, please attach a copy of your CPR/First Aid. The email and physical address is located on the application.

Great News! Bathing and Grooming class has been added to the "Other Skills" category, effective 1/1/17. You must take this class after 1/1/17 (we will not go retroactively in time and allow you to take the assessment).

The applications that are in our office by the first day of the month, will potentially be eligible for certification approval the first day of the following month. For example, if you turn your application in and we date stamp it in our office on January 12, 2017, you would qualify to have your certification begin on March 1, 2017. You missed the deadline for February 1, 2017 because you did not have the application to us by January 1, 2017. Our processing of your application takes time. We have to coordinate with other DHS departments as well as verify all requirements for each individual person. Once you have been approved, we will send you a confirmation email and attach a certificate of completion.

In order for your Professional Development Certification wage increase to not be interrupted by an expired CPR/First Aid issue, we ask that you self-monitor your renewal cards. You will not receive a notice from us that you have an expiring CPR/First Aid card; what could happen is that your 50 cent wage increase ends on the last day of the month prior to the expiration date, because you either didn't renew your CPR/First Aid or you didn't notify us that you renewed. For example: If your PDC ends on 12/31/18 and your CPR/First Aid ends on 09/14/18 (and you don't get it renewed and provide us with an updated card); your PDC and 50 cent wage increase will end on 08/31/18.

Assessments:

- ✓ Sign up for your assessment in class, and you will receive an email to be invited to take the required assessment.

Helpful Tips:

- ✓ Keep a log of the assessments you have completed and your scores.
- ✓ Keep a close eye on your renewal date for your CPR/First Aid and plan ahead so you don't have a gap in your Professional Development Certification wage increase.

If you have questions, please send an email to: Certifications.OHCC@state.or.us

Enhanced Worker Certification Course

<http://www.oregon.gov/DHS/SENIORS-DISABILITIES/HCC/PSW-HCW/Pages/Enhanced-Exceptional-Workers.aspx>

We are looking for more providers to be part of our Enhanced Worker Certification Course! Workers (with the exception of CIIS PSWs) will need to take a *Readiness Assessment* prior to getting in to the course. The assessment is based on content from eleven (11) classes.

The Enhanced Worker Certification Course includes 25 hours of course work in addition to out-of-class requirements that require access to the internet. The certification will allow workers the opportunity to earn \$1.00 above base rate pay for any consumers pre-approved for enhanced services.

Please visit our webpage (link provided above) for information to prepare for this certification, and application requirements. If interested, or if you have any questions, please send an email to Certifications.OHCC@state.or.us. Please include the word 'Enhanced' in the subject line!

THERE'S A TOTAL SOLAR ECLIPSE COMING!

ARE YOU READY?

Did you know there's a major solar eclipse coming? The eclipse will arc across Oregon all the way to the southeastern coast of South Carolina and beyond. The Oregon Museum of Science & Industry (OMSI) estimates that this first total solar eclipse in 38 years to cross the continental United States will attract millions of spectators.

Since August is already prime vacation season in many areas of the state, expect nearly everything to be above capacity for nearly a week total.

Here's a few tips:

Keep have a full tank of gas, and stay on the upper half of the tank. Lines for gas may occur and you'll want to be able to get to work.

There may be cell service overloads; there may be service disruptions due to the large number of visitors using cell networks.

Be ready for lots of people all over. There could be a lot more traffic. Be patient.

GOLD STAR
for
Professional Development Certification Graduates

Congratulations to everyone who has earned their ***Professional Development Certification!*** The registry will have a **GOLD STAR** next to your name so individuals searching for workers will see that you have earned a ***Professional Development Certification.***

Do you have a **GOLD STAR** because you earned a ***Professional Development Recognition (PDR)***? This is our former Professional Development program that was replaced by the ***Professional Development Certification (PDC)***. The **GOLD STAR** will drop off the PDR workers profile on **December 31, 2017** if you don't have your Professional Development Certification in place.

Please see the requirements for the ***Professional Development Certification*** in this newsletter.
