Agenda Item	Presenter/Facilitator
<p>Discuss outstanding questions</p> <ul style="list-style-type: none">• What is the outcome if someone doesn't complete an assessment by the deadline or pass the assessment?• Will "testing out" be an option and, if so, does it apply to everyone? How many times can they take the test before being required to take trainings?• If someone has the ability to "test out," should certain trainings still be required?• Can individuals retake assessments? Is there a limit?• Should there be one master assessment or an assessment after each training?• Should orientation include an assessment element?• Is it necessary to incorporate return demonstration into the assessment process?• What accommodations must be provided during the assessment process?
