The service plan must identify the provider who delivers the authorized services, include the date when the provision of services begins, and include the maximum number of hours authorized. Service plans must be based upon the least costly means of providing adequate services.

(5) If, for any reason, the employment relationship between an individual and provider is discontinued, an enrolled homecare worker or contracted in-home care agency must be employed within 14 business days for the individual to remain eligible for in-home services. to make decisions on his or her behalf, and the Department or AAA cannot take necessary safeguards to protect the safety, health, and welfare of the individual.

(3) PAYMENT.

(a) The service plan payment is considered full payment for the services rendered. Under no circumstances is the service provider to demand or receive additional payment for these services from the consumer or any other source.

(b) Additional payment to homecare workers or ICP employee providers for the same services covered by Medicaid in-home services or the Spousal Pay Program is prohibited.

(d) Hours authorized for ADL are paid at hourly rates in accordance with the rate schedule. The Independent Choices Program cash benefit is based on the hours authorized for ADLs paid at the hourly rates. Participants of the Independent Choices Program may determine their own employee provider pay rates.

The Independent Choices Program cash benefit is based on the hours authorized for IADL tasks paid at the hourly rates. Participants of the Independent Choices Program may determine their own employee provider pay rates.

(c) When two or more individuals eligible for IADL task hours live in the same household, the assessed IADL need of each individual must be calculated. Payment shall be made for the highest of the allotments and a total of four additional IADL hours per month for

each additional individual to allow for the specific IADL needs of the other individuals.

(d) Service plan hours for IADL tasks may only be authorized for an individual if the individual requires assistance (minimal, substantial, or full assist) from another person in that IADL task as determined by a service assessment applying the parameters in OAR 411-015-0007.

(4) TWENTY-FOUR HOUR AVAILABILITY.

(a) Payment for 24-hour availability shall be authorized only when an individual employs a live-in homecare worker or Independent Choices Program employee provider and requires 24-hour availability due to the following:

(A) The individual requires assistance with ADL or IADL tasks at unpredictable times throughout most 24-hour periods; and

(B) The individual requires minimal, substantial, or full assistance with ambulation and requires assistance with transfer (as defined in OAR 411-015-0006); or

(D) The individual requires full assist in at least three of the eight components of cognition/behavior (as defined in OAR 411-015-0006).

(b) The number of hours allowed per month shall have the following maximums. Hours authorized are based on the service needs of the individual. Case managers may authorize up to the amount of hours identified in these assistance levels (minimal, substantial, or full assist).

(A) Minimal assistance -- 60 hours. Minimal assistance hours may be authorized when an individual requires one of these assessed needs as defined in OAR 411-015-0006:

(i) Full assist in cognition; or

(ii) Full assist in toileting or bowel or bladder.

(B) Substantial assistance -- 110 hours. Substantial assistance hours may be authorized when an individual requires these assessed needs as defined in OAR 411-015-0006:

(i) Assist in transfer; and

(ii) Assist in ambulation; and

(iii) Full assist in cognition; or

(iv) Full assist in toileting or bowel or bladder.

Full-time means the live-in homecare worker is providing services to

the consumer-employer seven days per week throughout a calendar month.

(d) Rates for 24-hour availability shall be in accordance with the rate schedule and paid at less than minimum wage according to the Fair Labor Standards Act and ORS 653.020.

(e) Twenty-four hour availability assumes the homecare worker is available to address the service needs of an individual as they arise throughout a 24-hour period. A homecare worker who engages in employment outside the eligible individual's home or building during the work periods the homecare worker is on duty, is not considered available to meet the service needs of the individual.

(5) Under no circumstances shall any provider receive payment from the Department for more than the total amount authorized by the Department on the service plan authorization form. All service payments must be prior-authorized by the Department/AAA.

(6) AUTHORIZED HOURS ARE SUBJECT TO THE AVAILABILITY OF FUNDS. Case managers must assess and utilize as appropriate, natural supports, cost-effective assistive devices, durable medical equipment, housing accommodations, and alternative service resources (as defined in OAR 411-015-0005) which could reduce the individual's reliance on paid in-home services hours.

(7) The Department may authorize paid in-home services only to the extent necessary to supplement potential or existing resources within the individual's natural supports system.

(8) Payment by the Department for home and community-based waived or state plan services shall only be made for those tasks described in this rule as ADL, IADL tasks, and 24-hour availability. Services must be authorized to meet the needs of the eligible individual and may not be provided to benefit the entire household.

(9) EXCEPTIONS TO MAXIMUM HOURS OF SERVICE.

(a) To meet an extraordinary ADL service need that has been documented, the hours authorized for ADL may exceed the full

assistance hours (described in section (2) of this rule) as long as the total number of ADL hours in the service plan does not exceed 145 hours per month.

(b) Monthly service payments that exceed 145 ADL hours per month may be approved by the Department when the exceptional payment criteria identified in OAR 411-027-0020 and OAR 411-027-0050 is met.

(c) Monthly service plans that exceed 145 ADL, 76 IADL, and 159 24-hour availability hours per month for a live-in homecare worker or Independent Choices Program employee provider, or that exceed the equivalent monthly service payment for an hourly services plan, may be approved by the Department when the exceptional payment criteria identified in OAR 411-027-0020 and OAR 411-027-0050 is met.

(d) As long as the total number of IADL task hours in the service plan does not exceed 76 hours per month and the service need is documented, the hours authorized for IADL tasks may exceed the hours for full assistance (as described in section (3) of this rule) for the following tasks and circumstances:

(A) Housekeeping based on medical need (such as immune deficiency);

(B) Short-term extraordinary housekeeping services necessary to reverse unsanitary conditions that jeopardize the health of the individual; or
