(1) The LLA must conduct an inspection of an AFH and all structures on the AFH property:

- (a) Before issuance of a license.
- (b) Before the annual renewal of a license. The LLA must conduct this inspection unannounced.
- (c) Upon receipt of an oral or written complaint of violations that threaten the health, safety, or welfare of residents.
- (d) Anytime the Department has probable cause to believe a home has violated a regulation or provision of these rules or is operating without a license.

(2) The Department may conduct inspections:

- (a) Any time such inspections are authorized by these rules and any other time the Department considers it necessary to determine if a home is in compliance with these rules or with conditions placed upon the license.
- (b) To determine if cited violations have been corrected.
- (c) For the purpose of routine monitoring of the residents' care.

(3) State or local fire inspectors must be permitted access to enter and inspect AFHs regarding fire safety upon the Department's request.

(4) The Department, the LLA, the investigative authority, the Oregon Health Authority (OHA), and the Centers for Medicare and Medicaid Services (CMS) have authority and must have full access to examine and copy facility and resident records, including, but not limited to, Residency Agreements, and resident account records, as applicable.

(5) The Department, LLA, investigative authority, OHA, and CMS staff have authority to interview the licensee, resident manager, other caregivers, and the residents. Interviews must be confidential and conducted privately.

(6) Licensees must authorize all staff to permit the Department, LLA, the investigative authority, OHA and CMS staff, for the purpose of inspection, investigation, and other duties within the scope of the inspector's or investigator's authority:

(a) Entrance to the AFH and any other structure on the premises; and

(b) Access to resident and facility records.

(7) The Department, LLA, the investigative authority, OHA, and CMS has authority to conduct inspections with or without advance notice to the licensee, staff, or the residents of the home. The Department, LLA, and CMS shall not give advance notice of any inspection if it is believed that notice might obstruct or seriously diminish the effectiveness of the inspection or enforcement of these rules.

(8) If the Department, LLA, investigative authority, OHA or CMS staff are not permitted access for inspection, a search warrant may be obtained.

(9) The inspector must respect the private possessions of the residents, licensee, and staff while conducting an inspection.

(C) Withholding rights or privileges.

(D) Taking or threatening to take any action to coerce or compel the resident to leave the facility.

(E) Threatening to harass or abuse a resident in any manner.

(c) Anyone who, in good faith, reports abuse or suspected abuse has immunity, as approved by law, from any civil liability that might otherwise be incurred or imposed with respect to the making or content of an abuse complaint.

(12) Immunity under this rule does not protect self-reporting licensees from liability for the underlying conduct that is alleged in the complaint.

(13) Any person who believes these rules have been violated may file a complaint with the Department, the LLA, or the investigative authority.

(14) The Department or the investigative authority shall investigate complaints in accordance with the adult protective services rules in OAR chapter 411, division 20.

(15) Immediate protection shall be provided for the residents by the Department, the LLA, or the investigative authority, as necessary, regardless of whether the investigative report is completed. (b) The request for a meeting by an applicant, licensee, LLA, or the Department does not extend any previously established time frame for correction.

(5) The applicant or licensee must notify the LLA of correction of the violation by completing a written response in the licensee or administrator's statement of correction section on the violation. Notification of correction of the violation must be submitted to the LLA no later than the date specified in the notice of violation.

(6) The LLA may conduct a re-inspection of the home after the date the LLA receives the report of compliance, or after the date the violation must be corrected as specified in the notice of violation.

(7) For violations that present an imminent danger to the health, safety, or welfare of residents, the licensee or administrator must correct the violation and abate the conditions no later than 24 hours after receipt of the notice of violation. The LLA may inspect the home after the 24-hour period to determine if the violation has been corrected as specified in the notice of violation.

(8) If residents are in immediate danger, the license may be immediately suspended, and arrangements made to move the residents.

(6) Civil penalties of not less than \$100 and not more than \$1,000 per occurrence may be assessed for substantiated abuse.

(7) If the Department, or the Department's designee, conducts an investigation and abuse is substantiated and if the abuse resulted in the death, serious injury, rape, or sexual abuse of a resident, the Department shall impose a civil penalty of not less than \$2,500 for each violation.

(1) Conditions may be attached to a license and take effect immediately upon notification by the Department or the delivery date of the notice, whichever is sooner. The type of condition attached to a license must directly relate to a risk of harm or potential risk of harm to residents. Conditions may be attached upon a finding that:

(a) Information on the application or initial inspection requires a condition to protect the health, safety, or welfare of the residents.

(b) A threat to the health, safety, or welfare of a resident exists.

(c) There is reliable evidence of abuse, neglect, or exploitation.

(d) The licensee or caregivers demonstrate the inability to meet the evacuation times described in OAR 411-050-0720.

(e) The home is not being operated in compliance with these rules.

(a) Restricting the total number of residents based upon the ability of the licensee to meet the health and safety needs of the residents.

(d) Requiring additional staff to meet the resident's care needs.

(3) In accordance with OAR 411-052-0020(1)(a) through (d), the licensee shall be notified in writing of any conditions imposed, the reason for the conditions, and be given an opportunity to request a hearing under ORS 183.411 to 183.502. A licensee must request a hearing in writing within 21 calendar days after the date the notice was personally served or mailed. Conditions take effect immediately and are a final order of the Department unless later rescinded through the hearings process.

(4) In addition to, or in-lieu of, a contested case hearing, a licensee may request an informal conference with the Department to discuss conditions imposed. The informal conference does not diminish the licensee's right to a hearing.

(5) Conditions imposed remain in effect until the Department has sufficient cause to believe the situation that warranted the condition has been remedied. If the licensee believes the situation that warranted the condition has been remedied, the licensee may request in writing that the condition be removed.

(6) Conditions must be posted with the licensee in a prominent place in the home and be available for inspection at all times.
