*Do you know an elder in the community who is isolated, has no advocate and may need help or support? If so, please call the Gatekeeper Referral Line in Multnomah County: **503-988-3646***

The Gatekeeper Program enables the local community to identify its own people in need of help. The elders who are referred to the program are the most isolated and have little or no support system to act in their behalf as they experience serious difficulties that compromise their ability to live independently.

The role of the Gatekeeper is to simply recognize signs and symptoms that may indicate an older adult is in need of assistance or support and then to make the referral to the proper authorities—in this case, the Gatekeeper Referral Line for Multnomah County.
