

Communicating with an ODOC AIC

In order to communicate with an ODOC AIC, you are required to validate your phone number.

There are several different ways to pay for communications with an ODOC AIC. The options available are:

Prepaid account: Your prepaid account is your money that allows you to pay for phone calls to your number and schedule video calls. You can do this by clicking Fund on your account screen.

AIC Communications and Trust account: These accounts are controlled by the ODOC AIC. You can deposit funds into these accounts to allow ODOC AIC to pay for phone calls, video calls and messaging. For instructions on how to fund an AIC Communications or Trust account, go to CenturyLinkCorrections.com and select **Oregon Friends and Family** then scroll to Available Services.

Phone Number Validation

To validate your number online, you will need to have a valid debit/credit card and a phone where you can receive a text message with a confirmation code or a phone that can receive an automated call that will announce the confirmation code. You will need to enter this confirmation code to complete your online phone number validation.

If you do not have a debit/credit card, you can email a copy of your valid government issued ID and a copy of your phone bill. The address on your ID and on the telephone bill must match.

If you do not have access to the internet, you can mail a copy of your valid government issued photo ID and a copy of your phone bill to the below address:

ICSolutions
