Inmate Travis Riley

Riley entered DOC custody on May 26, 2015, on two counts of burglary in the first degree, two counts of felon in possession of a weapon, and one count of possession of methamphetamine out of Lane County. His earliest release date is January 29, 2019.

Anyone with information regarding his whereabouts is asked to call Oregon State Police at 1-800-452-7888.

MCCF is an unfenced, minimum-security prison in Salem that houses approximately 290 male inmates who are within four years of release. The facility concentrates on work opportunities, most of which are in the form of work crews contracting with state agencies, local organizations, and private industries within a 60-mile radius of Salem. MCCF opened in 1929 as the Farm Annex of the Oregon State Penitentiary, housing 50 adult male offenders. The Farm Annex provided all of the milk, eggs, meat, fruit, and vegetables for the Oregon State Penitentiary and the State Hospital. The main building (as well as many of the out buildings that made up the farm) still stands today and, at 81 years old, it makes for the second oldest prison in the state.
