Title: Safe Employment/Workplace  
DOC Policy: 20.6.4  

Supersedes: DOC Policy 20.6.4, “Safe Employment/Workplace,” dated 01/01/01  

Applicability: All employees, volunteers and contractor service providers  

Directives Cross-Reference: ORS, 654.001-991, OAR 437-01-760  

I. PURPOSE  

To reasonably assure the provision for a safe and healthful place of employment for Department of Corrections personnel.  

II. POLICY  

To ensure a safe and healthful work environment the department shall maintain an active and flexible safety program to foster a work culture that recognizes safety as an integral work value.  

A. Management and supervisors shall:  

1. Set the tone for safety, provide the guidelines, and enforce safe work performance by employees.  

2. Establish safety performance measures.  

3. Attend and successfully complete all required safety training.  

5. Provide appropriate personal protective equipment (PPE) as needed.  

6. Routinely inspect, assess and identify health or safety hazards in the work environment. All defective equipment or unsafe conditions shall be replaced, repaired or remedied promptly.  

7. Provide information and training to employees regarding known hazards in the workplace and preventative measures available to ensure their safety.  

8. Be held accountable for safety performance and appropriate management of their on-the-job injured employees.
9. Provide safety training annually or as necessary for employees for safe work performance.

10. Actively participate in Early-Return-To-Work (ERTW) planning and implementation for employees injured on-the-job.

11. Investigate all accidents, injuries, illnesses, or near-miss incidents to determine cause, prevent recurrence and implement means of prevention.

   (a) All facts and findings shall be documented using, Oregon Department of Corrections Supervisors Analysis of Incident/Near-Miss/Injury/Illness form CD 1381 (05/02) (attached). Completed forms shall be forwarded to the unit safety manager and safety committee for review.

12. Establish an active working safety committee in accordance with DOC Policy 20.6.5, Safety Committee.

13. Not allow anyone to work whose ability to work is impaired by alcohol, drugs, or medication.

14. Notify the unit safety manager immediately and/or no later than 24 hours after an accident, injury or illness requiring more than first aid. If the employee is taken to a hospital or other emergency service provider for emergency treatment, the unit safety manager shall be notified immediately.

B. All employees shall:

1. Be familiar with and comply with all applicable health and safety rules and/or policies.

2. Perform assigned tasks and duties in a safe manner in compliance with safety rules that does not put themselves, co-workers, inmates, or members of the public at risk of injury or harm. This includes refraining from horseplay, scuffling (except as necessary to perform duties related to supervision and control of inmates), practical jokes, or other activity which might put one at risk of injury or harm.

3. Attend and successfully complete all required safety training.

4. Use all PPE and safeguards provided for their protection.

5. Not use defective tools or equipment missing proper safe guards.
6. Not remove or deface and warning, danger, or specification sign(s).

7. Stop all machinery or moving parts and properly lock-out and/or tag-out equipment before maintenance or adjustments are made.

8. Not use their hands or any portion of their bodies to reach between moving parts, removing jams or to stop or slow down moving equipment.

9. Take immediate action to correct any unsafe situations or equipment and to report it immediately to their supervisor.

10. Correct before leaving a job or arrange to give warning of any condition that might result in injury to others unfamiliar with existing conditions.

11. Report immediately or before the end of the shift any accident, injury, illness, or near miss accident that resulted from your employment to the supervisor.

12. Seek first aid or medical treatment for injuries/illnesses as needed.

13. Complete an, “Oregon Department of Corrections Employee/Volunteer Report of Incident/Near-Miss/Injury/Illness” form CD 1381 (05/02) (attached), for any work-related accident, incident, or near miss immediately or no later than 24 hours.

14. Complete a SAIF 801 claim form (attached) if you wish to file for workers’ compensation for an on-the-job injury.

15. Cooperate in the investigation of a work-related accident, injury, illness, or near miss.

16. Participate in and cooperate with DOC Policy 20.5.17, Management of Injured Workers.

III. IMPLEMENTATION

This policy will be adopted immediately without further modification.
