## GROUP LIVING

### Security Gate Reminders:

- No additional clothing items will be going in or out. AICs that work in the laundry are provided with an opportunity to shower and change out the clothes that they wore to work that day. After their shower, they should wear their clean clothes out. If they need clothing exchanged or replaced beyond this, they will need to go through the clothing room. AICs assigned to other areas, are on a call out for evening showers at which time they can exchange their clothing.
- No bags, laundry bags, backpacks, extra clothes, or any other items are allowed through the security gate. AICs should only have their ID, any medication that they are required to always carry with them, and any appropriate paperwork.
- AICs that are in educational programs beyond the security gates will be allowed to take the appropriate books and papers. These will be scanned going in and out of the security gate

### TEMPORARY RULES:

#### **291-058 Structured, Intermediate Sanctions**

- Amends rule to reattach and reincorporate Attachment A Administrative Sanctions Sanctioning Grid and Attachment B Sanction Equivalency Table, which were inadvertently

and they should be able to carry them without utilizing a bag or backpack.

- On Tuesday's, AICs will be allowed to take canteen items to their designated work area for their use the following week. No items are allowed to come back out. This may include a cup, Tupperware dish, pitcher, food items, condiments, and hygiene items.

## HEALTH SERVICES

### Health Services is Going Live

OSP Health Services is starting to get ready for the go live day of November 3<sup>rd</sup>. Health Services will need to be on a modified schedule for training and for the first 2 weeks of November. I will do my best to keep you all updated as much as possible.

I hope you all will be patient with us during this transition. I appreciate you all and grateful for your understanding.

### Flu and COVID Vaccine Clinics

It is that time again. Beginning in October we'll be offering influenza (flu) and COVID vaccines to everyone. You will be approached by Health Services and asked if you would like a vaccine. We encourage you to say yes.

Both flu and COVID are highly contagious viruses that can lead to serious health issues. They spread through respiratory droplets and can be passed on even before symptoms appear. Vaccines work by making the body's immune system stronger and helping it to recognize and fight viruses. Vaccines reduce the risk of getting sick, and if you do get sick the symptoms are likely to be much milder and shorter in duration. Getting vaccinated helps to not spread flu or COVID to others.

The side effects of vaccines are usually mild, such as tiredness or a sore arm that generally last a day or two. Receiving a yearly vaccine is important, as protection wanes and viruses change over the course of a year, and so newer vaccines are needed to fight them. Getting vaccinated does not give you the illness, the vaccines use inactivated virus components to train your immune system safely. You can receive both flu and COVID vaccines at the same visit, but they will be given in two separate injections. Getting vaccinated is the single most effective way to avoid becoming sick from flu and COVID viruses.

If you have questions regarding vaccines, you are welcome to ask your health care provider.

### Electronic Health Record (EHR)

As we move forward with the new electronic health record system (EHR) there will be some changes happening. EHR go live day will be 11/3/25. One change already completed was the clinic names from HS clinic # to HSC #.

Change # 2, will be removing med line call outs for AM line and noon line. We will keep the HS pill line call outs since this line does not run with a meal. We will also keep the special needs line so that they can be called out first. The reason for this change is because Fusion cannot support that many encounters. We will start deleting the call outs next week towards the end of the week.

The first 2 weeks of go live, Health Service will be running on modified status. We need to modify our plan and then we will send out.

## LEGAL LIBRARY

### Loaned Legal Thumb Drives Issued in 2023

Over the next several weeks, AICs with a loaned legal thumb drive issued in 2023 will be placed on a mandatory callout for document transfers to new thumb drives. Thumb drives will be replaced every two years in accordance with the Removable Media Usage Acknowledgement Statement (CD1761).

### REMINDERS:

OAR 291-139-0190(2) indicates that removable media devices are loaned to AICs for the saving and storing of legal documents created using word processing equipment in the law library. Legal documents is defined in OAR 291-139-0110(10). In accordance with that rule, correspondence with legal counsel does not meet the definition of legal documents. Correspondence to counsel may not be typed in the library and may not be saved to a DOC thumb drive assigned for AIC use. If you have correspondence with your attorney saved to your assigned library thumb drive. You will need to print and delete correspondence from your assigned library thumb drive to bring your thumb drive in to compliance.

AICs are limited to two levels of folders on the loaned thumb drives. See example below.

**Example of 2 folder levels - Authorized:**

Name

- ▼ Folder 1
  - ▼ Subfolder 1A
  - ▼ Subfolder 1B
- ▼ Folder 2
  - ▶ Subfolder 2A
  - ▶ Subfolder 2B

- ▼ Folder 3

**Example of 3 folder levels – NOT authorized:**

By listening to and mentoring peers who are struggling with various disabilities, Peer Companions can help teach them how to more effectively and productively manage their own responses to their environment.

Mental Health Special Housing has one Peer Companion position open on the Intermediate Care Housing (ICH) unit. The Individual selected for this position will report to the ICH unit, yard, and/or treatment lounge for their shifts.
