Agency's Budget: Is the proposal anticipated in the Agency's Budget? Yes _____ No _____

Comments: (Include all assumptions for cost or revenue per unit and number of units, if applicable. Attach as many worksheets as necessary to give complete information.)

These amendments removes references on OAR 291-076-0040 to "Suicide Review" and establishes a Unexpected Death Review will be conducted for all AIC deaths suspected to be caused by self-harm. Redefines OAR 291-076-0040 as "Review of Incidents Involving Suspected Self-Harm."

DOC anticipates rule change will modify training but that the changes will have no fiscal impact the dpeartment, AICs, partners, and the general public.
