Dear Martha,

Enclosed is the bibliography from my cultural resources survey report on the Grave Creek area. I hope it might be useful to you or your friend who's researching ditches, but it may prove to be too general.

If she would like to talk to me about how I dispensed with this somewhat troublesome cultural feature, she should feel free to call me at 752-7081. I'm often home during the day because I'm studying for my Ph.D. comprehensive examinations.

Thanks for all of your help.

Warm Regards,

Pat McClenahan
