## GOLD PANNING TRIPS

Welcome to Gold Country -- Josephine County, Oreson

How would you like to try your hand at panning for gold on a beautiful mountain stream? An enjoyable recreation for everyone--no age limit, fun and educational. This is what you'll learn:

Gold mining history of southern Oregon  
Where and how to dig for gold  
How to pan gold, with personal help  
Methods of extraction of gold from concentrates  
How to sluice and use rocker box

**EQUIPMENT:** We provide everything you'll need for panning, including bottles for your gold! Dress for weather and comfort--take extra clothing in case you get wet. Tennis shoes or rubber boots for walking in shallow stream, sun hat, jacket. Weather may be changeable. Bring your own snacks or lunch and maybe lawnchairs for non-panners who will want to watch you work.

**TIME:** Average four hours, plus travel time of less than an hour. Shorter trips can be arranged. You provide transportation, we go in caravan from Grants Pass, take paved highway to creek--easy access to panning site.

**RATES:** Adults and children over 12, \$12. Non-panners and children under 12 accompanying paying panners are free. Special rates for groups or schools.

**SOUVENIRS:** We have original placer gold samples, gold lockets, earrings and nuggets from Josephine County streams for sale, or orders taken.

**WARNING: YOU MAY GET GOLD FEVER!!**
