

WILSON PLACER CLAIMS

AUBURN DISTRICT BAKER COUNTY

OWNERS & OPERATORS: B. F. Kulis, Kenneth Van Leuven, A. Belse, Orville Fleetwood.

AREA & LOCATION: The property consists of 3 unpatented placer claims, the Wilson #1, Wilson #2 and Golden Arrow located at the head of Wilson Creek in sec. 24 T 9 S R 38 E and sec. 19 T 9 S R 39 E W. M. These sections are in the Auburn District, Baker County.

HISTORY: Yardage not known. Old Placers quite extensive.

EQUIPMENT: Two small sluice boxes to handle gravel, about 2 yards per day, which is mined by pick and shovel.

GEOLOGY: Deposit consists of medium sized gravel in an earthy matrix and is resting on a moderately rough argillite bedrock which dips a few degrees to the N. E. There are a few large boulders and very little clay.

MISCELLANEOUS: The water for placering, between 30 and 50 gallons per minute is obtained from springs. These may be dry in the late summer.

The claims have been burnt over and there is no timber on the claims. There is considerable snow in winter.

Mr. Kulis is the only one working on the claims and is moving with pick and shovel about 2 yards per day. He has no definite plans for the future but intends to continue his present development work. The gravel he is working runs between \$1 and \$1.35 per yard.
