

SALMON CREEK CLAIMS

Baker District  
Baker County

Owner: Mrs. Anna Rich, Baker, Oregon.

Location: One-half mile above old placers on west side of Salmon Creek.

Numerous <sup>allow</sup> ~~short~~ open cuts and short tunnels have been driven along a rhyolite dyke, striking northeasterly and southwesterly on a tributary flowing into Salmon Creek from the west. The country rock is argillite, with occasional limestone bands and narrow quartz stringers. The only mineralization seen in any of the openings consisted of these small stringers. Samples were taken of quartz of country rock and of dump material and no values were reported.

Confidential: Mrs. Rich was advised not to hold on to this property any longer.

Date: 6-8-39.

J. E. Allen.
