

Aurum Gold Mining Corp. (Rabbit)

~~RABBIT MINE~~

Greenhorn District
Grant County

Owners: A. L. Woodward, William Hay, and Bennett James, Whitney; operating under the name of Aurum Mines Company.

Location: NE $\frac{1}{4}$ of section 10, T 10 S, R 35 E; 2 miles northeast of Greenhorn.

Area: 6 unpatented lode claims, located 1925.

History: Discovered in 1925. Said to have produced about \$40,000.

Equipment: 100 hp Diesel International engine, Gardner-Denver air compressor, station pumps, sump pumps operated by air. New shaft building and blacksmith shop, 5 stamp mill powered by Foss gas engine with a Fairbanks on the primary crusher, and amalgamation plates.

Development: Developed by about 1000' of tunnels and a shaft 135' deep, double compartment 5' x 9'. In the 40' level there is a drift 190' long to the north. In the 70' level there is a drift 100' long to the south. In the 120' level a drift goes 260' south and 90' north. Some stoping from the 40' and 70' levels, none lower.

Geology: The vein, which is said to strike N 10° E and dip 70° E, ~~is said to~~ ^{is said to} lie with hanging wall of diorite and foot wall of granite; it is 2' wide and assays \$23.00. The gold is about 90% free milling with a fineness of between 750 and 760. ~~The shaft was full of water when the property was visited and none of this was seen.~~ A surface tunnel, which is said to have paid for itself, runs 500' south from the shaft along the vein.

Remarks: This property will be re-visited when opened later in the season.

Informant: Bennett James.
