## BALLARD CLAIMS

WALLOWA R.

HOMESTEAD

(S.R.) DIST.

*The Ballard Claims.*—These claims are on the other side of the small creek from the Cole claims and upon the same vein. They were reported to be in every way similar and were therefore not visited.

Adjoining the MacDougal group to the south is another Ballard group. These claims are on the extension of the shear zones of the MacDougal group. The description given of the latter applies as well to them.
