Subject: URANIUM ORE PRODUCTION IN OREGON

Dear Mr. Peterson:

In compliance with your request of October 13, we have tabulated the production of uranium ore in Oregon. The attached table presents the data, broken down by property and fiscal year.

The data presented on this tabulation is classified "company confidential" and should not be published as presented without the consent of the owners of the properties from which the ore was produced. It is not necessary to secure consent of property owners if the figures are presented in such a manner as to make it impossible to identify quantities of  $U_3O_8$  in ore produced from a specific property.

Very truly yours,
