

Sixes River District
Curry County

Name: Fall Creek Group. (Gold Placer)

Owners: V. E. Boyer and Mrs. Maude Lynch, Port Orford,
Oregon.

Location: Lies on the south side of Elk River at the mouth
of Cedar Creek, and between the Elkhorn and Big
Sunshine placer properties, 15 miles southeast
of Port Orford, of which the last *five* miles is
poor trail. It is thought to be in Secs. 13 and
14, T.33 S., R.14 W.

Area: *Loc 1420*
Six 20 acre placer claims held by location.
*Hidden Elk, Boyer Bar, Little Sunshine Bar, Fall Cr Bar +
Cedar Cr 1 & 2*

Geology: 3 to 10 ft. of gravel, probably averaging 5 ft.
with an average of 8 ft. of overburden. Some-
times there are boulders, but not enough to in-
terfere with mining. Bedrock is porphyry and
slate. The gold is medium coarse and maximum
production by hand work is \$250 for one season.
Water for mining comes from Fall Creek through
a 750 ft. 10 x 16" flume. The property is
equipped with two cabins and prospecting tools.

Information furnished by Mr. V. E. Boyer.
June 8, 1939.
