EVANCE GROUP (gold)

Canyon District

Grant County

OWNER AND OPERATOR: Charles Mack Canyon City, Oregon

AREA AND LOCATION: There are six unpatented claims, the Rosie D, Rosie E, Evance, Bessie L, Bessie D and Snow Bird in the original locate. One unpatented claim, the climax was located in July 1940. These claims are located on Vance Creek 3/4 miles west of the U. S. 395 highway in section 3 T. 15 S., R. 31 E.

HISTORY: The claims were located in 1934. Assessment work has been done every year. There has been no production.

DEVELOPMENT: Open cut on Rosie D claim and numerous prospect pits on other claims.

GEOLOGY: The country rock is schist. The vein varies in width from 14 to 30 inches and consists of a limonite stained quartz. The vein strikes N. 70° E. and dips 50° N.

GENERAL DESCRIPTION: The country is moderately rugged and is wooded. There is enough timber for development work. A small stream, Vance Creek, flows through the claims. Snow fall in the winter averages two feet. The elevation is about 3500 feet.

REMARKS: Very little development work being done. Only two cuts expose the vein. Three samples taken in these cuts ran a trace in gold. The present showing is not encouraging.

INFORMANT: Charles Mack HKL 8/2/40
