RED HILL CLAIM ( $\text{Cr}_2\text{O}_3$ )

Location:

Owner: Ronald Beggs, John Day, Oregon.

General: Shipments were made from this property by two different shippers. One was Mr. Vernon Uhlman, Pilotrock, who made two small shipments in 1955 and the other was Mr. Art Moothart, Hills Auto Court, Canyon City, who made several shipments during 1956. No shipments were made by anyone in 1957 or 1958.

The following figures represent an incomplete record of the Moothart shipments as taken from a copy of one depot settlement certificate and Mr. Beggs royalty records. No data is available concerning the Uhlman shipments other than that Beggs recollects them to have been 16.5 and 8.00 tons wet weight.
