

July 8, 1938

Blue Bucket Mining Company
427 Hutton Building
Spokane, Washington

Gentlemen:

Thank you for your letter of July 7th enclosing prospectus of your mining enterprise.

This Department is always interested to know of the operations in mining in this State, and we trust you will keep us advised from time to time of your operation. It may be that one of our engineers can drop by the property and make a visit sometime later this summer.

Thanking you, I am

Very truly yours,

EKN:vm

Director

Mr. Earl K. Nixon, Director
State Department of Geology and
Mineral Industries,
704 Lewis Building,
Portland, Oregon

Dear Sir:

This will acknowledge receipt of your letter of
June 28th.

The Blue Bucket Mine is located about seventeen
miles south of Dale, Oregon and consists of claims on
both sides of Dessolation Creek. The company is not yet
in production and has at present a small crew on the job
driving tunnel in the development of the mine.

The company is incorporated for \$100,000 with a
stock issue authorized of two million shares. On the 31st
day of March, 1938, the date of our last audit, the stock
outstanding and subscribed amounted to 646,198 shares.

The company at present is attempting to raise
more funds by means of appeals to its stockholders. A
copy of our prospectus is enclosed herewith which we trust
will furnish you with any additional information you require.

Sincerely yours,

WAC:w

Secretary

Blue Bucket Mining Company
Willman Clark
Hutton Building
Spokane, Washington

Gentlemen:

Would you be kind enough to advise us as to the status and activities of the Blue Bucket Mining Company? This is in connection with a publication we are preparing on the mines of this state. We would like to know the location of the property, production--if any, stock set-up, and other details.

Thanking you, I am

Very truly yours,

EKN:vm

Director
