The RFC man was Mr. Ziegler. He was making said exam on account of a request for a loan had been submitted to his office. He came to see me for dope on the property and I muscled myself in on the trip just on general principles -- to get acquainted with the country first hand myself. I made no report on the exam because the work done there has revealed nothing new of any significance yet and I didn't include it in the list of active mining operations on account of it all being a bit crackpot. They were refused their loan incidentally. Incidentally also, I went in Zieglers car. over
