

The Mining Journal, July 15 1938

A 20-ton mill is being installed by Byron Brown of Stanfield, Oregon, V. B. Pratt, J. C. Prohop, and Jack Hoose, who are operating the **Tillicum** mine. The mine is located on Granite Creek, a tributary of the north fork of the John Day River, four miles from Granite in Grant County. Operations are expected to be in full swing early in July.
