

THE MINING JOURNAL PINK SHEET
Phoenix, Arizona

June 26, 1943

Van C. Hallberg of Baker, Oregon, is continuing development work on the **Banzette** mine, also known as the Pal No. 1, No. 2, and No. 3 claims near Baker. Values are in gold and cinnabar. Work on a small scale also is being done at the **Kit Carson** group of three claims, also near Baker, where ore values are in gold, lead, and platinum.
