Crater Coal Co.
Medford, Oregon

Dear Sirs:

Complying with the instructions of your President, Mr. W.M. Awbrey, I respectfully submit herewith my report of examination of the Coal Property you have under lease or option, located in Sec. 36, T37S R I W about 5 $\frac{1}{2}$ miles east - southeast of Medford, Oregon.

It was my idea to make a more detailed study of the possibilities, and elaborate on the various subjects but from our conversation over the phone I gather that you are more interested at this time in a statement of simple facts covering the property and will want more details later.

I am therefore sending you this brief, which I trust will meet your requirements, and if I can be of further aid do not hesitate to call on me at any time.

Yours very truly,

D. Ford McCormick
