Len Ramp  
Resident Geologist  
Department of Geology and Mineral Industries  
312 S.E. 'H' Street  
Grants Pass  
Oregon 97526

Dear Mr. Ramp:

Thank you for sending me the materials on the mystery metal. I'm returning them to you, since they appear to be originals. I've made copies.

You were by far the most informed source of information about the mystery metal. Some agencies appeared to be uncertain of what I was talking about and others didn't reply at all.

Thanks again.

Yours truly,

J. Finley Hurley
