### Oregon Placer Mines Incorporated

Articles of incorporation for Oregon Placer Mines Inc., Grants Pass, were filed Tuesday by Attorney James T. Chinnock, the incorporators being Charles L. Austin and Walter Ferguson, both of Grants Pass, and C. C. Zimmerman of Kansas City, with the firm capitalized at \$50,000, the United Press informed the Courier.

Chinnock said Wednesday that the company's operations will be devoted principally to dredging in both Josephine and Jackson county, and that Gaults creek is to be one of the sites. Work is to begin immediately, he said.
